Myleene's tip to save planet – a giant orgy!

MUCKY Myleene Klass reckons the way to save the world would be a giant ORGY!

The 37-year-old, who appears next week on ITV's *BBQ Champ*, thinks a writhing sex pile would solve the planet's ills.

Asked in a magazine interview what she would do to save the world, Classic FM scorcher Myleene said: "We'd all get together and have one giant orgy."

She also revealed she had a girly snog with TWO of her former Hear'say bandmates.

"I've snogged Kym Marsh and Suzanne Shaw," said Myleene.

"I haven't had sex with a woman but I don't see anything wrong with it."

"I think women have a completely different way of approaching things. They're very caring and holding."

"There are a lot of things I could imagine doing with women. But I think guys can do it better, I'm afraid."

Paz: Boobs-out horror flick flop trashed career

BUSTY *Boardwalk Empire* star Paz de la Huerta is suing the producers of a trashy horror flop which she claims destroyed her career.

The 30-year-old is demanding \$55million (£35.5m) from the makers of horror flick *Nurse 3D*, in which she appears NAKED.

Curvy Paz is pictured stripping off as she plays a psychotic nurse who seduces, then kills, cheating men in a series of gruesome ways.

The 2014 movie only made \$5,000 (£3,000) in its opening weekend and was taken off release soon afterwards.

New York-born Paz claims she made up to \$2m (£1.3m) a year prior to the release of the film – but has struggled since.

One move insider said: "The film may be terrible, but Paz's naked bod definitely offers some light relief."

MONDAY

HOLLYWOOD actor Jake Gyllenhaal reveals that he loves to feast on Greggs grub when he's in the UK.

The admission came as a huge shock – not so much because he's a millionaire actor eating cheapo junk food but because we saw him in *Brokeback Mountain*.

After making that, you'd think he'd be right off sausages for life.

TUESDAY

BBC Breakfast presenter Bill Turnbull turns the air blue by saying a very rude word.

It's a four letter word beginning with C, which the BBC staff are terrified of hearing. And we don't mean "cuts".

Some viewers were upset but most were OK with it. A hint of "c**t" over their cornflakes just reminded them of Susanna Reid and her tiny skirts.

WEDNESDAY

A **COUPLE** are caught bonking in a telephone box near Coventry in broad daylight.

That's disgusting! Have these animals no shame?

Telephone boxes are there for everyone to use – not just a selfish minority of perverts.

What if someone had been out walking and really needed a piss?

THURSDAY

MEANWHILE, a different sex video goes viral online. This time it's a pair of randy Brits bonking on a sun lounger in Majorca at 8am.

Cricket, that's early. Normally the only thing you'd see being blown on a sun lounger at that time is a German's beach towel.

I would say this fella likes to get up at the crack of dawn. But he probably wouldn't know if she was called Dawn or not.

FRIDAY

IT'S revealed that pop loon Michael Jackson wanted to land a part in the *Star Wars* movies.

What would he know about space? The only 'distant Galaxies' he cared about were the chocolate bars in the upstairs bedroom for his little, ahem, overnight guests.

SATURDAY

TV presenter Janet Street-Porter faces a backlash after calling baby Prince George a "cross-dressing millionaire" – because his birthday shirt looked like a blouse.

The Royal Family were said to be deeply hurt by the comments. Particularly the Queen, who once owned a stake in Miss Street-Porter's mother and has fond memories of her racing to victory at Kempton Park in 1963.

'We thought Countryfile had come to film a feature about dogging!'

BBC SHOW DESCENDS ON OUTDOOR SEX HOTSPOT

RUMPTY-MAD doggers got the shock of their lives when their regular nookie haunt was invaded by a BBC film crew!

Every evening, sex people flock to the countryside village of Detling in Kent for their saucy outdoor pursuits.

But their spunk-flinging antics were disturbed when camera-toting techies from the BBC's *Countryfile* turned up.

Presenters Matt Baker, Ellie Harrison, Adam Henson and Tom Heap were visiting the Kent County Show – held at the next-door showground – to film the programme's summer special.

Ejaculate

Veteran doggers George and Ruth Jones were mid-romp when the crew arrived.

George, 60, said: "We've been coming here for years for no-strings sex fun. Then, all of a sudden, the BBC turn up."

"I thought, 'Oh, *Countryfile* have come to make a film about dogging. I wish they'd asked first'. Turns out they'd

come to film the county show. But it ruined our day – four truckers were just about to ejaculate on Ruth's tits but they fled when they saw the cameras.

"There's human rights about enjoying dogging in peace. Probably."

Ruth added: "Ejaculate, yes!"

Show anchor John Craven was mercifully not present to witness any dogging.

The *Countryfile* episode from Detling, which is being screened on BBC1 tonight, has been carefully edited so that NO doggers appear.

A *Countryfile* source said: "The crew went down to Kent to film the county show. There was never any intention to film doggers."

"That said, the way this show is going, it's only a matter of time. It used to be about farms – now it's all paragliding and that daft c**t with his lambs."

Bus blowjob man stays on register

A **MAN** who was jailed after he got sucked off on the back seat of a bus has failed in his bid to be taken off the sex offenders register.

Garry McNair, along with co-accused Alexis Watson, pleaded guilty to public indecency at Dundee Sheriff Court in March.

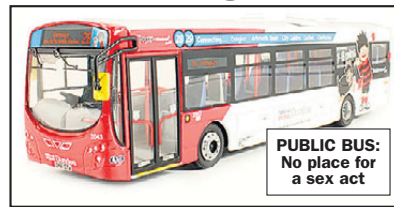

Each was sent to prison for five months, as well as being put on the register.

The pair admitted committing a sex act on a public bus, in broad daylight, in front

of other passengers, including children, on September 9 last year.

The court heard that McNair was "revelling" in the act, before shocked passengers confronted the couple.

McNair's appeal stated that the two requirements – that the indecent act had a significant sexual aspect, and that someone under 18 was involved in the incident – needed for him to be put on the sex offenders register had not been met. But the judges threw out his appeal.

Charlotte: I used to shag the TABLE

GEORDIE Shore star Charlotte Crosby has revealed she likes to shag the **KITCHEN TABLE**.

The horny 25-year-old has always been obsessed with bonking. And she says when she was a girl, she enjoyed RUBBING herself against the wooden four-legger! Sunderland-born Charlotte said: "Everyone had something they did. My fetish was the corner of the kitchen table."

Charlotte's appetite for a quick romp while out on the tiles is no secret.

She was once filmed doing the dirty during a night out, while she wet the bed after another boozy session.

The reality star also launched her autobiography, *Me Me Me*, by stripping off for the camera this week.

And she said: "I don't get embarrassed. I've done it all on *Geordie Shore* – wet the bed, had sex on camera."

"I don't see myself changing any time soon!"

Woman's shock at letterbox cock

A **DRUNKEN** yob who left a young mum and her daughter terrified by sticking his **MANHOOD** through their letterbox has narrowly avoided a jail sentence.

Paisley Sheriff Court heard that Mariusz Wojcik had left a pub in a drunken state and ended up at a flat in the town's Well Street.

Moments later, the woman and her daughter inside saw Wojcik's cock coming through their letterbox.

When police reached the scene, they found him on the landing, heavily intoxicated.

Wojcik, of Brown Street, Paisley, admitted kicking the door of the flat, shouting at the occupants and sticking his penis through the letterbox.

Sheriff Ireland ordered him to carry out 200 hours of community work.

Hardworking vice girl Kat takes up Health Secretary's challenge

By **SAM WALKER** samw@sundaysport.co.uk

A £1,200-A-NIGHT hooker plans to relieve pressure on the crisis-hit NHS – by launching her own hospital HANDJOB service.

Busty Kat Lee, 29, has taken the debate on whether to launch a seven-day health service into her own hands – quite literally – by **WANKING OFF** patients 24/7!

The 32FF stunna plans to advertise online before paying a visit to pre-op hospital patients.

The business venture come after Health Secretary Jeremy Hunt announced reforms that could see doctors work weekends.

He claims the current Monday to Friday system is costing 6,000 lives a year as doctors struggle to cope with demand.

Outraged medics have now launched a petition to try to oust the pushy politician.

But Kat, who lives in Manchester, says her on-call service could help solve the crisis.

She said: "Sex is a vital service for patients."

Slack

"A quickie in the toilet – especially to messy completion – is better than a load of pills."

"You can prescribe all the antidepressants you want, but patients are always smiling after I've helped them blow their load."

We told in 2012 how Kat was snapped with a disabled patient in the Walton Centre hospital, in Fazakerly, Liverpool.

The Sunderland-born call girl told how she bonked the wheelchair-bound man in the loo.

Kat says she is now repeatedly called to NHS hospitals and is planning to make the "vital" customer call-out service into a round-the-

REFORM PLAN: Jeremy Hunt

clock business to pick up the slack left by doctors who refuse to work weekends.

Kat, who charges £60 for a quick bonk, claims she could save the NHS a fortune.

She told us: "Just imagine the number of people that won't have to go to the doctor for stress or anxiety."

"I reckon I could save the NHS millions single-handedly."

"Well, if the business really takes off, I might need both hands."

**SUNDAY
Sport****THE VOICE OF
YOUR BRITAIN****EU clowns
having the
last laugh**

THIS country pays, on average, £10BILLION every year to be a member of the European Union.

That's £10billion taken straight from the pockets of hard-working families and stuffed into the bulging wallets of bloated, unelected eurocrats.

Imagine how many doctors and nurses ten billion quid could pay for. How many teachers. How many warships to bombard the uppity nations of this earth. How many police. How many border guards.

When the traitor Edward Heath signed away this nation's proud independence in 1972, he shackled us to a bottomless money pit.

Today, Sunday Sport exposes the extent of EU waste.

The Brussels bureaucracy is taking UK tax pounds and diverting them to a museum of CLOWN PORNOGRAPHY in faraway Moldova.

Moldova – a nation of deviants and vampires – is not even a member of the EU, but it is still showered in OUR cash as Brussels expands its imperial ambitions.

This newspaper has no problem with pornography. This newspaper gladly supports museums. We can just about tolerate clowns.

But a museum of clown pornography is a staggering waste of public money.

It is yet another reason why we should withdraw from the disgraceful shambles that is the European Union.

**No shame in
Wallis cock claim**

DID the Queen's aunt, Wallis Simpson, have a penis? Did King Edward VIII quit the throne for a person we would today describe as "intersex"?

During the Abdication Crisis in 1936, such questions were not asked in polite society.

But today, with much more liberal attitudes to gender identity, these are questions the Royals MUST answer.

For years, Mrs Simpson has been cast as a brazen temptress who almost destroyed the British monarchy.

Evidence we in today's Sunday Sport suggests she was, in fact, a trailblazer for the trans community who should be hailed as one of their heroes, alongside Caitlyn Jenner and Cher's fat son.

HORROR AT HUBBY'S FUNERAL

'After a few blasts of hippy crack, eating Harry with beans made perfect sense'

LOVE MATCH:
Harry with Susan before he died and she ended up eating him

By **SIMON DEAN**
simon@sundaysport.co.uk

A WIDOW has warned about the dangers of legal high death drug "hippy crack" after she ATE her dead hubby's ashes – mixed with a tin of Tesco Value baked beans.

Susan Ashley's hubby Harry tragically died in a motorbike accident last month, aged just 38.

And, as he would have wanted, Harry's wake turned into a booze-and-drug fuelled session – with trendy 'hippy crack' passed freely between mourners.

Silly

Susan, 35, of Newbury, Berkshire, said: "It was a celebration of Harry's life, so the drink was flowing.

"Harry's ashes were on the kitchen table in the middle of things.

"Someone gave me a balloon of 'hippy crack'. After a few

MEAL DEAL: A few blasts of 'hippy crack' and Susan couldn't resist tucking into Harry's ashes with beans

blasts of that, I got the idea of stirring Harry's ashes into a tin of beans and eating him.

"Telling you now, in the cold light of day, I feel a proper silly sausage – but after that 'hippy crack', it made perfect sense.

"It's brain warping stuff. The young folk should stay away from it."

Second only to cannabis in popularity, 'hippy crack' – or nitrous oxide – has emerged as one of the most dangerous narcotics of recent years.

Although perfectly legal, last year it killed almost as many people as grey squirrels and trousers.

STORY THE ROYALS REAL

QUEEN'S A HAD A CO

STILL FRIENDS:
The Queen
and Prince
Charles

with Wallis
Simpson

By **SIMON DEAN**

simon@sundaysport.co.uk

THE playboy prince who taught our Queen the Nazi salute was a **PIN-DICKED** premature ejaculator – whose wife had **MALE** genitals!

Earlier this month the world was stunned to see footage of Her Majesty, aged seven, her younger sister Margaret and their mother, the late Queen Mum, hoisting their arms in the notorious "Heil Hitler" salutation.

Also in the 1933 film is the Queen's uncle, the then Prince of Wales, known to the family as David but later to become the pro-Nazi Edward VIII.

King Edward famously abdicated the throne so he could marry Yank divorcee Wallis Simpson – making her our current Queen's aunt.

The pair met controversial German statesman Adolf Hitler and openly admired the Nazis.

They were sent into exile to the Bahamas in 1940 as Churchill feared they could have been used by Hitler as propaganda tools during the Battle of Britain.

But amid all the high politics, Wallis could have been hiding an astonishing secret.

According to Anne Sebba, author of *That Woman: The Life Of Wallis Simpson, Duchess Of Windsor*, Wallis may have been born with both female AND male genitals.

Sebba wrote: "New research suggests that she might well have been born with what is currently called a Disorder of

RIGHT ROYAL COCK-UP:

Sexual Development (DSD) or intersexuality, which affects about 4,000 babies annually in the UK.

"Some of its effects are so subtle that even today, doctors delivering babies with ambiguous genitals cannot be immediately certain if they are holding a boy or a girl."

Intercourse

"There is strong circumstantial and psychosexual evidence that Wallis was not wholly female."

"Another possibility is that she was born a pseudo-hermaphrodite, with the internal reproductive organs of one sex and the external organs of another."

One expert, who asked to

remain anonymous for fear of reprisals, told *Sunday Sport*: "These days, with the powerful transsexual lobby, it's taboo to talk about someone not being 'all woman'."

"But from a purely biological stance, there is evidence to suggest that Wallis Simpson did possess male and female genitals."

"She famously told friends that she never had intercourse with either of her first two husbands and never allowed them to touch her below what she called the 'Mason-Dixon line', or as we might say, 'downstairs'."

"This would explain how she became so famously adept at oral sex. That's how she would have satisfied her lovers."

WHEN it comes to festivals, us Brits think we've got the best of the lot here with the world-famous Glastonbury.

But at the end of the day, it's basically just a bunch of posh twats and BBC types pretending to be "down with the kids".

In America, they do things a bit different.

The Gathering Of The Juggalos is an annual festival that's put on by Psychopathic Records and features performances by the entire label roster as well as numerous well-known musical groups and underground artists.

More than 100,000 rock fans descend on Thornville, Ohio, for several long days of REALLY demented excess.

Sunday Sport took one for the team and went out to visit this year's gathering, which ends today.

Toff schools demand ban on 'barbaric' rugby acts

PRODNOSE bosses at the country's snootiest public schools have demanded universities ban what they call "barbaric and dangerous" rugby club initiation ceremonies.

The centuries-old sports club rituals, which range from eating dog food and biting the heads off goldfish to stripping in public places, "are among the least helpful ways of making a transition to university life", interfering headteachers said.

David Elstone, chairman of the sports committee of the Headmasters' and Headmistresses' Conference (HMC), which represents top public schools like Eton and Harrow, accused universities of turning "a blind eye" to the activities - which foster an esprit de corps among players.

He blathered: "That is a massive concern because someone is going to get seriously ill and even worse."

Elstone, headmaster at Hymers College in Hull, said one of his former pupils had given up playing rugby after being asked to play a game naked in Edinburgh city centre at midnight with a live chicken as the ball.

Police hunt sex shop flash perv

A SEX shop customer became over-excited while browsing the goods...and had a wank!

Cops were called to the store after reports of a punter pulling his pud in front of a female employee.

The man, who entered the shop with a woman, was spotted walking around with his genitals exposed.

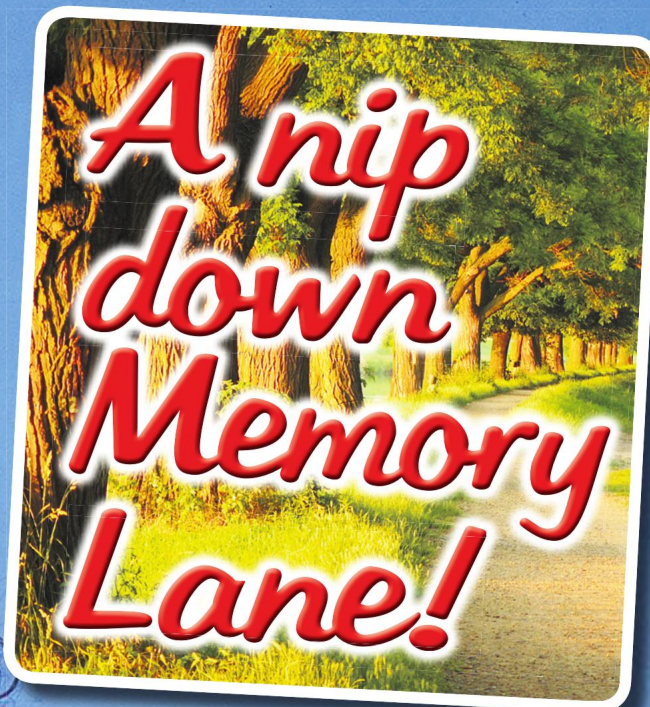

When confronted, the pair left the Adult World store in Larksville, Pennsylvania, and were seen getting into a car.

Officers believe the man may be a repeat offender, allegedly having exposed himself to another female employee the previous week.

Police are now trying to identify the man, who was caught on CCTV.

SAUCY Charmaine Sinclair became a glamour model at the age of 16 - when such things were legal.

Most of her modelling was glamour and softcore in British men's magazines and she was a massive favourite in *Sunday Sport*. She also was a huge hit on the legendary *Sunday Sport* roadshows.

The babe appeared in nine *Playboy* lingerie specials and was also a lingerie model for various mail order companies.

But the stunna - pictured here aged 19 - has never been shy to appear in more raunchy roles.

Her career as an actress in videos began in 1990 with a series of softcore movies in which she played a sexy private eye.

And she went even further, appearing in several hardcore films which can still be found in the darker reaches of the internet!

At one point, Charmaine was romantically linked to A-list Hollywood star Robert De Niro for two years, in the 1990s!

But it wasn't to last and the beauty announced her retirement from both modelling and acting in 1999.

Boredom set in, though, and she began modelling again a decade later, often to be seen appearing on adult channels such as Redlight TV.

Horse tosser gallops away from police

A MAN was arrested in church after he was spotted wanking off a HORSE.

Glen Garbutt was reportedly spotted "masturbating himself and a horse" on June 4, according to the owner of the horse and two other witnesses.

Police finally caught up with him last week while he was at church, but Garbutt spotted them and ran.

He had to be tasered THREE TIMES before officers told him he was being arrested on suspicion of sexual assault.

Garbutt immediately responded that he did not have sex with a horse – despite no mention of the animal by the arresting officer.

He was booked on charges of sexual assault of an animal, resisting arrest and interfering with a police officer.

No date has yet been set for Garbutt, 56, of Grand Ronde, Oregon, to appear in court.

He is currently being held at the Polk County Jail.

maid. And I enjoy being bossy. It's empowering and gives me a strong feminine feeling."

"I don't have any sex tapes. Fair enough, I'm a kinky bastard in the bedroom when I'm in a relationship – but I don't want to do anything that might reach the public eye."

The Ascot-born beauty added: "Sex toys, they're the best. I find whips funny, but I draw the line at chains."

"Vibrators are fun – whatever turns you on, I guess. It's all a bit of a giggle, isn't it? And not to be taken too seriously!"

Talking about her *Corrie* character, Sarah said: "It's only four episodes, but it's such a massive institution."

"There are definitely fireworks. I'm trying to bang down Tracy's door and poor Norris (Malcolm Hebden) gets in the firing line!"

FURY OVER BLACKPOOL COCK

SEASIDE prudes are up in arms over rude-shaped sticks of ROCK being sold in sweet shops.

Traditional rock makers say they are being swamped with the Chinese-made confectionery, which is more suited to sex stores.

Trading standards officers in Blackpool have started cracking down on the shocking displays.

Blackpool, once Britain's leading holiday resort but now basically a bail hostel, manages to stay afloat by tempting stag and hen parties with lewd novelties.

But some diehards still cling doggedly to the nonsense that Blackpool is a family

resort, rather than a dump for depositing bewildered Scotsmen.

Paul Hart, of the Rock Shop in Morecambe, Lancashire, said: "My son will not go to

Blackpool because he does not want his teenage daughter to see what's in the shop windows. Blackpool is supposed to be a family resort."

Gillian Campbell, deputy

leader of Blackpool Council, insisted action is being taken.

She said: "We have agreed with traders to move these products to the back, away from children's eyes."

FOOTIE BABE EXPOSED AS NEO-NAZI

A 21-YEAR-OLD woman picked as a Premier League beauty queen has been stripped of her title – after she was exposed as a NEO-NAZI.

Olga Kuzkova was selected as the face of top side CSKA Moscow and even won the Russian Premier League's "Miss Charming" crown.

But that title was snatched away after the pretty football enthusiast's controversial world view fell into the spotlight thanks to pictures she'd posted online.

In one picture, Kuzkova gazes into the camera, her right hand extended in a Nazi salute as she stands in front of a wall bearing Nazi graffiti.

Another snap features a dog chewing on a statuette of what looks like an African-American baseball player.

In another, she is shown embracing her boyfriend while wearing matching T-shirts with skulls and Celtic crosses – two symbols embraced by neo-Nazis and white supremacists.

The picture is titled "White Love".

Russian Premier League chief Sergei Cheban said: "We do not

tolerate manifestations of fascism, nationalism and racism."

Russia – which is plagued by neo-nazism – is set to host the World Cup in 2018 across 11 different cities.

Jealous ex took it out on sex toy

A MAN was arrested after breaking a sex toy in a jealous rage.

Triston Horne, 36, attacked the contraption during a visit to his ex-wife's home in Bradenton, Florida.

The victim told police their marriage had to be nullified shortly after tying the knot, when she learned that Horne was already married.

They went their separate ways, but she had invited him to spend the night so he could take her to work in the morning.

The pair were smoking when a disagreement escalated, police said.

During the fight, Horne allegedly busted in on his ex-wife in the bathroom and accused her of cheating on him with a sex toy.

He then went to the bedroom, found the toy and snapped it in half.

Dave Bristow, public information officer for the sheriff's office, told *Sunday Sport* he did not know what type of sex toy Horne broke.

Horne was arrested on a charge of domestic battery and released on bail the next day.

ART ATTACK: Tony Hart would turn in his grave at this gallery of filth in Moldova

FURY AS EU FUNDS CLOWN PORN MUSEUM

Brit taxpayers fleeced for Big Top filth

By **BRAD CHADWICK**
news@sundaysport.co.uk

CAMPAIGNERS last night slammed a £2million grant given by the European Union – to a CLOWN PORN museum in Moldova.

The Muzeul de Clovn Pornografie in the Moldovan capital Chisinau is known as the dirt-poor former Soviet republic's ONLY tourist attraction.

Brussels busybodies gave the museum the whopping grant as part of its European Cultural Development Fund – a body which pays out loot to poverty-stricken non-EU nations in eastern Europe.

Last night a spokesman for public waste pressure group Brass Tax blasted the payment to the Moldovan filth gallery.

Mike Brewer stormed: "While Greece is being subjected to crippling austerity, the bloated EU seems to think it's appropriate to fund a museum dedicated to the history of clown pornography."

"I didn't even know clown porn was a thing until today."

It is not clear why Moldova decided to build a clown porn museum. Most observers believe it is simply a way

NO LAUGHING MATTER: Clown porn is big business in eastern Europe

to extract money from the European development fund.

A spokesman for the EU said: "The Moldovan museum is just one of many cultural enterprises supported by the EU Cultural Development Fund."

Lesbos told to stop shaving

LESBIANS should grow their body hair and even PLAIT their minge whiskers, a leading lesbian magazine has suggested.

London-based blogger Effi Mai, writing in the current issue of lesbian bible *Divva*, writes:

"Getting rid of your body hair has been a topic that has been vastly debated."

"The whole world is telling us why we should get rid. But what about why you shouldn't?"

Mai then lists the reasons why women should shun the shaving.

She argues: "More gay girls are willing to embrace that hair on bodies is natural."

"If you want to get rid of your hair because you want to... that's wonderful."

"But if you're doing it to fit in... then let your hair grow and be free, plait it or sprinkle it with glitter."

SHE SHER LOOKS SEXY!

Nicole's sexiest ever pics

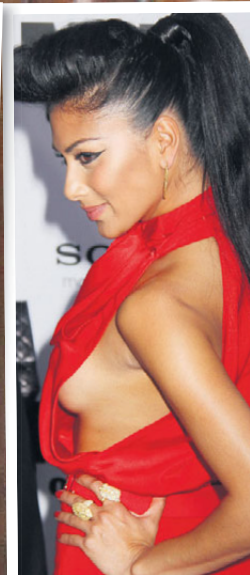

By **BARNEY SAMUELS** news@sundaysport.co.uk

HER ex, F1 driver Lewis Hamilton, got shown the door at Wimbledon earlier this month for wearing inappropriate attire.

But nobody was complaining about stunning Nicole Scherzinger's clobber when she poured herself into this PVC outfit.

The 37-year-old former Pussycat Doll showed off her fine form as she let the little skintight number cling to every super-toned inch.

The brunette beauty is back in the US after a stint in the UK, where she acted in the West End after featuring on TV talent show *The X Factor*.

MIX-UP: Smith & Young

Young fans can't grasp right Willy!

POP star Will Young has revealed he keeps getting mistaken for actor **WILL SMITH**!

The 36-year-old singer said fans are always approaching him and asking if he's the African-American movie hunk.

He added: "The best thing is when people tell me how much my music has affected their lives for the better."

"The worst is when people say, 'You're Will Smith, aren't you?' It's lucky I don't have an ego now, or else I'd cry every day."

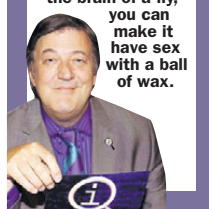

Young – who is a gay – was the first winner of *Pop Idol* back in 2002, has six top-three albums under his belt and appeared in the 2005 Oscar-nominated movie *Mrs Henderson Presents*.

Will Smith, 46, hit fame in the 1980s as rapper The Fresh Prince.

He has also been nominated for four Golden Globe Awards, two Academy Awards, and has won four Grammy Awards.

Teenager dies after 'exorcism' beating

A **YOUNG** man died after being badly beaten in an "exorcism".

The family of the 19-year-old, who had psychological problems, called in two "healers".

They beat him to drive out "evil spirits" at his home in Hebron, in the Palestinian Territories.

He was critically injured and taken to hospital in Hebron, where he died.

The pair who carried out the beating – and the victim's father and brother – were arrested.

Footy coach hit lesbo own goal with teen player

A FEMALE football coach who had a two-year lesbian affair with one of her star players has been jailed for 15 years.

Lauren Hill pleaded guilty to two counts of criminal sexual conduct involving using her position of authority to have sexual contact with a minor girl.

Hill, 27, had been a teacher at St Joseph High School in Michigan for four years and was the assistant girls' soccer coach.

The victim, who attended sentencing, was a team player.

Berrien assistant prosecutor Jake Jenison said the criminal sexual conduct started when the victim was entering her second year and went on until she was 17.

"She couldn't complete her senior year with her friends. That's supposed to be the best time of her life," said Jenison.

"She was looking for a mentor, and Miss Hill was there for her."

But, he added, Hill took advantage of the situation.

The cracker, 34, also revealed she loved reading the red-hot *50 Shades Of Grey* trilogy.

She said: "I read all the *Fifty Shades* books in a week.

"I read them on holiday – you visualise and picture everything!"

"It's the first thing I've read in a long time that I've been really excited about. I felt naughty reading it."

'Sex noise' tosser is on the run

COPS are hunting a serial public masturbator who terrorises his victims with "sex noises".

Sex offender Leroy Perry gets his jollies by pulling his pants down in front of strangers and touching himself.

In 2009, 56-year-old Perry was convicted of indecent exposure with sexual motivation after he walked into the common area of his apartment building, sat down next to a guy watching television, then exposed himself and started making sex noises.

Authorities say he's pulled the same trick in front of women on at least three occasions.

In one case, Perry walked up to a woman in a park, told her it was hot out and then took off his clothes and began masturbating in front of her.

Perry has failed to check in with probation officers in King County, Washington State, and a warrant has been issued for his arrest.

HACKERS LEAKED PICS OF ME WITH SECRET LOVER

Married sex cheat's OAP romps exposed by online group

HACKERS TO EXPOSE 1.2M LOVE CHEAT BRITS
Affair-arranging website told to close down or face data leak

SECRET'S OUT: Barry's sex pics with the lovely Alice were leaked by cruel internet hackers

A HUBBY who stored intimate pictures of sex romps with his OAP lover on a "secure" internet server was rumbled when hackers broke in and leaked his snaps.

Red-faced Barry Yearsley stored the X-rated snaps of himself "canoodling" with 79-year-old Alice Bent on a site called cheatingsexpics.com.

The Belgian-based storage site - which charges £5.99 a month for the service - promises to keep intimate pics of sex cheats' lovers "away from prying partners' eyes".

But it proved too tempting a target for hackers, who broke through space-age firewalls and leaked the confidential snaps of 31,000 subscribers into the web.

Bingo

Barry, 32, of Wrexham, north Wales, lamented: "I got an email from cheatingsexpics.com informing me there had been a breach of security.

"The pictures, my name, my address - it all went onto the web.

"It was only a matter of time before my wife Natasha found out. Unsurprisingly, she left

me. Even worse, Alice wants nothing to do with me either as she says she's been getting dog's abuse down the bingo.

"Those hackers have ruined my life. Damn them!"

Barry's case echoes that of controversial website Ashley Madison.

That site, which hooks up married sex cheats, went on alert last week as hackers broke into its database and threatened to release details of customers unless it closed down.

Last night the site cheatingsexpics.com appeared to have been taken down.

MADE TO BUM A SHEEP AT ISIS JOB INTERVIEW

Bradford lad's sick Iraqi initiation

A WOULD-BE jihadist has quit ISIS in disgust after terror bosses ordered him to BUM a SHEEP to prove his devotion to the homicidal group.

Iqbal Wazir, 21, travelled via Turkey from his home in Bradford, west Yorks, to Iraq and soon made contact with Islamic State butchers. He said: "It was all 'Welcome to jihad, brother' at first, innit. 'I asked where the guns and bombs and shit was and then they said I'd have to 'prove my devotion to the cause', innit. 'That's when they brought

By **BRAD CHADWICK**

the sheep out. They told me I'd have to bum it before I got so much as an air rifle.

"It was mingin', innit. 'It put me right off ISIS and jihad. I don't mind all the massacring innocent people and throwing bum boys off tower blocks but sheep bumming? It's mad, innit?'"

Despite the sick initiation order, Iqbal got away from ISIS – and the sheep.

He is now back at home and says he'll stick to waging jihad "via Twitter and shit, innit".

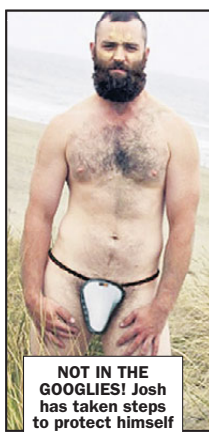

EWE MUST BE JOKING: Iqbal did a runner after being told by ISIS fighters (below) that he had to shag a sheep

SEAGULL TERROR NUDISTS WEAR CRICKET BOXES!

Flying beasts attack bare peckers

PACKAGE PECKER: Evil gulls are at large

NOT IN THE GOOGLIES! Josh has taken steps to protect himself

TERRIFIED nudists have been forced to wear **CRICKET BOXES** to protect their wedding tackle from snappy-beaked **SEAGULLS**!

Thousands of people up and down the country have been maimed by gulls, which have turned on their human overlords like monsters from some Hitchcock horror movie.

Now – as the most vulnerable – nudists have been forced to take action to tackle the menace.

Nude hipster blogger Josh Armitage, who bares all on the white sands of Ainsdale, near Southport, Merseyside, last week showed off his new willy-shielding

getup online. He wrote: "In view of the rapidly escalating attacks on humans by death-gulls, it is now essential that the naturist community protect themselves. "While this may violate the purity of naturism, we have a responsibility to defend. "The last thing you want is to have your cock and balls ripped off by an angry bird. Unless you're into that sort of thing, obviously."

DEANO ON SUNDAY

All hail brave Saint Caitlyn!

CAITLYN JENNER picked up the prestigious Arthur Ashe Courage Award at the Excellence in Sports Performance Yearly Awards – the Yanks' equivalent of the BBC's Sports Personality of the Year.

Caitlyn, who used to be known as Bruce Jenner, is now the world's most famous trans woman. She's been on various magazine covers and is now generally hailed as something close to a living saint.

Now, deciding you are a woman after living for years as an all-American sporting hero is a gutsy thing to do.

But is Caitlyn really the bravest person in America this year? Especially as Caitlyn won the Arthur Ashe Award ahead of Lauren Hill, a basketball player at Mount St. Joseph University

who died of brain cancer in April and raised more than a million dollars for cancer research before she passed away.

It seems to me that the act of "transitioning" – I think that's the acceptable term for someone born a man deciding he's actually a woman – wins acclaim far beyond what it actually merits.

After all, between 2000 and 2010 in Britain alone, almost 1,000 people born physically male underwent gender reassignment – what we used to be allowed to call a sex change. The first such op was in 1930.

So Caitlyn's hardly alone. Nor is she a trailblazer.

Once upon a time, a life of devotion and piety was the route to sainthood. In 2015 it seems putting on a dress and a bit of lippy will do the trick.

If Labour elects Corbyn, they're betraying Britain

AS I write this, the left-wing Labour MP Jeremy Corbyn looks set to be anointed leader of the Labour Party on September 12.

All we've got to go on, of course, are the opinion polls – and look what they told us earlier this year.

But it looks very much like the Labour Party, in a fit of pique, has gone all Millwall on the British electorate.

"No-one likes us, we don't care!"

No doubt this is all very well and good for the bedsit Bolsheviks and Hampstead Trots who secretly revel in the idea of a decade in opposition, raging against "Tory scum" on Twitter and airing their increasingly-preposterous grievances in the equally-

preposterous *Guardian* newspaper.

But what about the millions of ordinary Labour voters and union members who face years of their views being ignored and their concerns locked out of government?

Corbyn's cheerleaders may rejoice at his intellectually pure form of socialism. But what's the point when he'll never, ever get near power?

Meanwhile, without a viable opposition to rein in the hubris of the Conservative Party, who knows what mad flights of fancy they might indulge in?

Poll tax, anyone?

If Labour elects Corbyn, the party will essentially be shrinking from the primary purpose of an opposition – that of providing a viable alternative government. It will become, as shadow

education secretary Tristram Hunt said last week, merely a pressure group.

That would be a gross betrayal of ordinary Labour voters – and a danger to our democracy.

Perverts? This lot? Surely not...

FORMER Home Secretary Leon Brittan, ex-diplomat Sir Peter Hayman, former minister Sir William van Straubenzee and Sir Peter Morrison – who was an aide to Margaret Thatcher – have all been fingered as kiddy-sex perverts and their details passed to the Child Abuse Inquiry led by Justice Lowell Goddard.

Look at them. Whoever would have thought they were nonces?

SOUTH AFRICA

SELF-STYLED "prophet" Penuel Mnguni has been arrested under animal cruelty laws for making congregants eat live snakes during a church service in Ga-Rankuwa, near Pretoria.

Andrew Kekana, of the Society for the Prevention of Cruelty to Animals, said: "It is our duty to prosecute those responsible in instances where animal rights have been violated."

SWITZERLAND

A TEEN was hospitalised after getting high on a cannabis-laced vegetarian meal at Zurich's Kaufleuten club.

The youth fell ill after eating a pearl barley with Graubünden hemp and mascarpone dish at the trendy eatery.

The restaurant denies the meal was to blame.

AUSTRIA

A 70-YEAR-OLD from Lower Austria almost killed his own son when he shot him twice, believing he was a burglar.

The 40-year-old son, who still lives at home, had forgotten his keys and was climbing through a window after a night out when he was shot.

ITALY

ROME'S famous Trevi fountain has been taken over by a huge colony of foot-long RATS, which come out of its drains at dusk and terrorise tourists.

The fountain, which has millions of visitors every year, is in the middle of restoration work and has been empty of water since December, allowing the rats to move in.

SPAIN

THE mayor in Valencian town Ador has brought in a law that makes the afternoon siesta compulsory for all.

Joan Faus Vitoria's edict bans shops from opening and orders kids to stay indoors between 2pm and 5pm so their games don't disturb those having a kip.

GERMANY

AT least 11 people were injured in the village of Burgsinn, Bavaria, after a man went mad with pepper spray at a 90s-themed pool party.

It's believed a 21-year-old local man - who was upset at not being invited - launched the attack.

PRISON BABES BREAK OUT OF THEIR BRAS!

By **BARNEY SAMUELS** news@sundaysport.co.uk

FOR those who like to watch women locked up, *Wentworth Prison* made a welcome return to C5 on Wednesday.

The Aussie drama is a reworking of the iconic *Prisoner Cell Block H* but with more sturdy sets - and a bit more eye candy for the lads.

As is customary, we've looked through the back catalogues of the leading ladies and found occasions where they were good enough to show their busters.

Central character Bea Smith is played by Danielle Cormack, who got them out in Oz TV drama *Rake*, while Pamela Rabe, who plays screw Joan Ferguson, whipped 'em out in the 1994 movie *Sirens*.

Also Kate Atkinson, who plays Vera Bennett, was looking tasty in 2004 TV comedy *The Cocks*.

SOME people can remember where they were when President Kennedy was shot dead.

Others can clearly recall exactly what they were doing when they heard Princess Di had carked it.

But there are other, far more important moments in history that are seared into our minds.

Who can forget the first time they clapped eyes on lovely Reese Witherspoon's breasts?

Or their first sighting of a troubled Lindsay Lohan's full and heavy mounds of joy?

We may have seen Katie Price's knockers a million times.

But will it ever be the same as that first glimpse of her natural little busters?

Today *Sunday Sport* takes a look at those all-important boobs-out cherry-popping moments in all their glory...

STUDENTS TALK SEX!

FIRST TIME

JAMIE: Mine was average, nothing more.
STEPH: For a first time, that's pretty good!

JAMIE: Yeah, I suppose so. He was more experienced than me and it did last quite a long time. Compared to some of the horror stories I've heard, it was OK.

STEPH: Mine was with my boyfriend who I'd been with for a long while. He put a cupboard behind the door so his brother couldn't walk in. He needn't have bothered though – it was all over in about 90 seconds.

FAKING IT

JAMIE: It's usually when I can't be bothered or I'm too drunk to have sex. I do it to make him feel good. It's not that he's rubbish, it's just I'm not in the mood.

STEPH: I never faked with my ex, but I did with my first boyfriend. I felt like I had to because I thought that every time you had sex you were meant to orgasm.

WILLY SIZE

STEPH: It's no good if you can't feel it. I'm not saying it has to be a foot long but there has to be something for a girl to work with. I want a good six inches at least.

JAMIE: It depends what they do with it. If it was really small I'd be fed up, but anything five inches or above is fine.

CAUGHT OUT

JAMIE: When my brother caught me, that was horrible. We were in the living room when he came home. He didn't get a real eyeful but he saw and heard enough.

STEPH: I've been caught by my ex's brother. I didn't find it embarrassing, but that might have been because I was a little drunk.

BEST SEX

JAMIE: It was in an aeroplane toilet. I was flying to New Zealand to meet a friend. I started chatting to the fella sitting next to me and we hit it off. We began flirting and I made a remark about wanting to join the mile-high club and he said he was willing if I was. We were flying through the night and quite

TURN-ONS

JAMIE: A big willy. No, I'm only joking. It's the eyes and lips that do it for me. Nice eyes attract me and if they have nice lips they're usually a good kisser. A guy who is a good kisser, turns me on and makes me go weak at the knees.

STEPH: I like a guy who smells nice. I don't mean his aftershave, I mean his pheromones. I also like a big, strong, muscular man.

FAVE POSITION

JAMIE: Me on top. When I'm on top I can get a better orgasm. And on top I'm almost always guaranteed one.

STEPH: I like missionary because I'm lazy. I think the bloke should do all the work.

SEX TOYS

JAMIE: I've never used them because my partners have been really good. I wouldn't mine getting a Rampant Rabbit though – I've heard that they're pretty good.

STEPH: You've never used them?! You don't know what you're missing. I've got two vibrators, just in case one breaks. My ex had a low sex drive so most of the

asked for my opinion. As he undressed, I don't know what came over me but I suddenly just wanted sex. It was excellent. But I did almost fall out of the changing room.

THREESOMES

JAMIE: I would have one. It would have to be with two girls though, otherwise it would feel like a spitroast, with one in your mouth or the other hole. If two guys were happy to do it with a girl, I'd question their sexuality.

STEPH: Never say never, but at the moment I'm not really up for it. I think there'd be too many things going on for me to enjoy it properly.

off the street then I probably wouldn't, but when you're serious with someone and in a relationship, I love to do it. It's the biggest turn-on ever when I finish and they say it's the best blowjob that they've ever had.

DRESSING UP

STEPH: I once dressed as an Easter bunny.

JAMIE: Easter bunny? I've dressed up as a Playboy bunny.

STEPH: That's what I meant! I've also dressed as a schoolgirl and a maid. I used to do it for him because when I did, I was always guaranteed to get more response.

JAMIE: I do it a fair bit. We only dress up to please our blokes. If it's better for him, it usually means it's going to be better for us!

“Stranger on a plane gave me toilet knee-trembler!”

a few people were asleep so we sneaked into the toilet. It was a bit cramped and rushed but exciting and good. When we landed we said goodbye and never saw each other again.

STEPH: Mine was in Formby woods. I remember it was a really wet day and not the best time to have sex. The thrill of it made it better.

JAMIE: Were you caught?

STEPH: Only by the squirrels.

time I was left to satisfy myself. I use it at least once a day.

STRANGE PLACES

JAMIE: I once did it in a gym changing room. I was with my boyfriend and we'd been swimming – they were communal changing rooms. It was good.

STEPH: Mine was in the changing rooms of a shop. He was trying clothes on and

BLOWJOBS

JAMIE: I spit, otherwise it makes me sick. I don't like it at all. I've had a few arguments over it with men, but they never win. I won't give in!

STEPH: I've always swallowed – I love it.

JAMIE: Do you?

MONDAY

Toff viewing, but tits worth it

Life In Squares – BBC2, 9pm

THING about your actors is they love dressing up – preferably in old-fashioned clothes. They also like talking posh like what they did in the olden days.

So it was only a matter of time before the BBC made a drama about the Bloomsbury Group. In case you

don't know, this was a gang of stuck-up twats who ponced around the countryside telling each other how f**king clever they were.

Oh, and they shagged like bonobo monkeys on the Viagra.

Lezzers, bumming, twos-up – the lot. You'll probably want to stab each and every one of them with a toasting fork, but I'm told there's tits and minge to look out for.

Ripper the end off with Heather

From Hell – C5, 10.55pm

ONE of the best films about Jack the Ripper you're ever likely to see.

The brilliant Johnny Depp plays Inspector Fred Abberline, a Metropolitan Police detective on the trail of the hooker-chopping serial killer.

Dark, creepy and sinister, you can almost smell seedy 1888 London. And I've yet to meet a hooker who's as fit as Heather Graham.

GUESS THE TOP TITS ANSWER: NICKI MINAJ

OF THE TELLY

Walliams shows off his Tuppence

Partners In Crime – BBC1, 9pm

DAVID WALLIAMS is the male equivalent of Clare Balding. For some reason, telly bosses reckon they can't go wrong if they shove him in a show.

That said, this looks like a cracker, based on Agatha Christie's Tommy and Tuppence Beresford books.

They're a married couple who are thrust into the world of international espionage after a chance encounter on a train back from Paris.

I'll be watching just because there's a character called Tuppence, and on the off chance that Walliams says "Bitty" or pisses his kecks in a supermarket like on *Little Britain*.

Don't pick up a penguin

Meet The Penguins – ITV, 7pm

GREAT thing about penguins: they're funny as f**k!

This show takes Adrian Walls, head of birds at London Zoo, to meet the flightless fish-eaters in their natural habitat.

Although Adrian has been dealing with penguins for 25 years, he's never come face-to-beak with them in the wild.

The downside of this programme is that it'll encourage a surge in penguin thefts from our zoos as folk nick 'em for pets – just like they did with them meerkats.

Lovely place, hellish people

Tour De France: Final Stage – ITV4, 4pm

WATCHING the Tour de France is an unsettling experience. We all know France is a flea-bitten hellhole where men pimp out their wives for the price of a packet of revolting cigarettes that smell like burning creosote.

But when you see the Frog countryside on the telly, it looks f**king glorious and you wonder how the Good Lord could give the oily surrender monkeys such a lovely place to live.

This is the final stage which ends in Paris, a truly beautiful city – but only because the French gave it up to the Germans without a fight in 1940.

TUESDAY

Sticky foreign porridge

Brits Behind Bars – ITV, 9pm

THERE can only be one thing worse than being locked up, and that's being locked up in a foreign country.

We know all foreigners are crafty, evil, shift psychopaths who eat woodlice and sodomise their sisters.

Imagine being at the mercy of them in one of their hellhole prisons. This documentary follows various Brits caged for various killings and drug-dealing antics.

They all swear blind they're innocent – but are they? Watch to find out.

Give it Benefit of the doubt

Benefits By The Sea – C5, 9pm

THIS series has been a nice surprise. As it's on C5 – home of classics such as *Too Fat To Shit* and *My Dick Looks Like Gary Wilmot* – I was expecting more intrusive poverty porn.

But *Benefits By The Sea* has been a sensitive and informative look at Jaywick – officially England's most deprived area.

You've got to admire the pluck of the poor bastards who live there.

DON'T MISS THIS!!!

Prince Philip: The Plot To Make A King – C4, 9pm

CHANNEL 4 must have jizzed in their pants the other week when *The Sun* printed those pics of our dear Queen giving it the Seig Heil.

What better publicity for this programme, which shows how Pip the Greek landed himself Princess Elizabeth – even though his sisters were married to leading Nazis.

Interesting to know that Lord Mountbatten decided his nephew Philip should marry Elizabeth when the girl who would be Queen was just 13.

That sort of caper would get you on the register these days.

DON'T GIVE ME THE COLE SHOULDER, BEGS KYLA

By **SIMON DEAN**

simon@sundaysport.co.uk

CZECH lads must be BLIND – stunning Kyla Cole says they NEVER asked her out!

The 36D glamour girl says it's only since moving to Lambeth, south London, from the Czech capital Prague that men have started to pay her any attention.

The 27-year-old said: "I love living in England and through the *Sunday Sport* I'm starting to get recognised in the street.

"I never got a second look back in Prague – because ALL Czech women are very pretty.

"But in the UK I get a brilliant reaction from men – so if you see me in the street, be sure to say hello!"

ROLE MODEL: Hitler worked wonders for German industry

MANAGERS ARE TOLD: BE LIKE HITLER

A RECRUITMENT firm is in hot water after describing Adolf Hitler, Mao Zedong and Joseph Stalin as good ROLE MODELS.

The trio appear on a list of "high achieving individuals" – also containing Attila the Hun and deposed Filipino dictator Ferdinand Marcos – compiled by Manila-based management recruitment firm Chaire Associates.

The company is one of Asia's most respected and hosts a range of business awards and seminars for top managers.

When asked why they hold up some of history's most notorious dictators as examples of good leadership, boss Rebecca Bustamante-Mills said: "People have different mindsets, have different personalities. It doesn't mean we follow them."

In its profile of Hitler, the company describes him as "instrumental in building the autobahn and putting German industry back on its feet".

It neglects to mention the murder of six million Jews in the Holocaust. Of Mao, whose "Great

Leap Forward" economic policies killed tens of millions, the website says: "His supporters view him as a great revolutionary leader whose thought was the highest expression of Marxism".

Marcos's dictatorship was synonymous with murder and torture and an estimated £6.4bn in state funds was pilfered.

The website, though, hails his ability to "impose order and reduce crime by strict implementation of the law".

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week Kyla has been reading your letters. Here's her advice...

Dear Kyla,

MY missus is very fit but I wouldn't be a proper bloke if I didn't have a healthy interest in other women.

Usually I keep it in check but when we went round to her mate's house for a drink a couple of weeks ago, I let my basic urges overcome me.

I went for a pee and while in the bog, the pal came in - as I had forgotten to lock the door.

She gasped at the sight of my dick but made a lunge for it and it was on end as soon as you could say "stalk on".

She pulled me off quickly and we both returned to the lounge as if nothing had happened.

Well, a nod's as good as a wink to a blind horse, so I went round there the next night and gave her a right seeing-to.

I started out by leading her back to the bog and getting her to pull me off again. Then she sucked me to hardness and I bent her over the cistern and slid it up her doggy-style.

But now I feel a little guilty and wonder if I should own up to my girlfriend.

CT, N Yorks

I caught the boss in live office sex show

Dear Kyla,

I WORK as a male secretary and I fancy the arse off my married female manager.

At 42, she's 14 years older than me but has a killer body and legs that go on forever.

She's always very well dressed in tight-fitting business jackets and pencil skirts in fact, her skirts are so tight you can always see the telltale signs of her suspender belt underneath.

The other day in work, her immediate boss – a bloke in his early 50s – came down to see her about 15 minutes before we all normally finish.

Tongue

She's normally pretty strict when it comes to time-keeping so I was a bit surprised when she sent me home early. Anyway, I was just about to jump in my car when I realised I'd forgotten my wallet and so I went back to the office.

As I got there, I could hear my boss moaning really loudly, so as her door was slightly ajar I went to investigate.

I couldn't believe my eyes as I peeked in and saw my boss lying back on her desk with her legs flung up in the air.

And I was even more gobsmacked to see her manager flicking his tongue in and out

of her pussy as he gave her clit a good rub. My boss was so turned on that she ripped open the front of her blouse to reveal a magnificent pair of milky white tits which were desperately trying to escape from her black lacy bra.

She then got her nipples out and began to tweak them as her boss stopped licking her out so he could slowly roll her stockings down her silky legs.

By this time I was rock-hard so I decided to have a sneaky wank as I watched them.

I don't think I can ever remember being party to watching a live sex show like this before – it was totally amazing, like seeing a porn film in the making!

And I nearly shot my load as he pulled her off the desk, turned her round and bent her over so he could take her doggy-style.

She screamed with pleasure as his throbbing cock entered her dripping wet love-hole.

And she continued to shout out as he pounded into her until they appeared to climax together.

But the problem is, I was still on the vinegar strokes as my boss turned round to kiss her lover and she caught me spying on them mid-wank!

I shot off straight away and she hasn't mentioned it since.

Now I'm wondering if she's worried I might tell someone and whether I should try to blackmail her into sleeping with me.

What do you think?

JK, south London

Kyla says...

NO. You'll either end up sacked or in jail.

Dear Kyla,

I'm almost 30 and most girls at work know my "reputation".

There's a new girl I've taken a fancy to but I didn't think she liked me until last week at our work's summer barbecue.

She's a slim brunette with big boobs and after a couple of beers we got chatting.

We got on well so I bit the bullet and suggested we nip round the back of the marquee.

She soon had my cock in her hands and I slipped a hand up her dress and fingered her as she pulled me off.

After that we went to her place and I shagged her.

But at work the next day she played hard to get.

What's going on?

CD, Cambs

Kyla says...

USE a little charm on her.

Dear Kyla,

I AM 21 and was on my hen do in Blackpool when a bloke asked if I wanted a cocktail.

I said: "I'll have Sex On The Beach, please" and he raised an eyebrow and led me outside.

We went down on the sand and his hands were all over me – feeling my boobs and arse as we snogged.

Lost in the moment, I undid his jeans and sucked his dick.

Then we ended up shagging.

As I looked up in the throes of ecstasy, I saw a crowd of people on the pier, pointing and jeering.

Should I feel ashamed?

DT, Lancs

Kyla says...

ARE you ready to get married?

like play sex es?

IT is a well-known fact that Fancy London's hospitality industry would grind to a shuddering halt without the low-cost labour provided by this country's open-door immigration policy.

Alas, the poor staff recruited to work in London's top hotels can't afford to live in the south east of England on the pittance they are paid.

But the industrious and resourceful migrant workers manage to top up their pay by providing sexual favours.

Thus everyone is happy and the shining wheels of capitalism are greased with the fanny batter of exploited foreigners!

Why I

By **BARNEY SAMUELS**
news@sundaysport.co.uk

IF you’ve got great 34D breasts like Andrea Felldin, you don’t need a reason to get them out.

But the 29-year-old from Linköping, Sweden, doesn’t get much chance in her home country.

She said: “The first time I got my boobs out in public was when I went to Majorca on holiday as a teenager.

“I’ve always been quite big for my age and men were captivated by them.

“As soon as I was able, I signed up to an agency and got to work.

“I still get a thrill from posing for the camera. I suppose I’m just a bit of a show-off!”

STEVE LILLIS' KNOCKOUT BOXING COLUMN

TARGET: Luke Campbell

LUKE OUT FOR ME!

Coyle vows to make Campbell pay

TOMMY COYLE is ready to make one time close pal Luke Campbell pay for his shock betrayal.

Olympic gold medallist Campbell and Coyle go back many years, but Campbell has left Coyle fuming, claiming: "We're not proper mates."

They travelled the world together, supported other at fights and worked in tandem raising money for local charities.

Their beef will be settled their hometown in an open air showdown at Hull's Craven Park on Saturday.

Although the vacant WBC international title is up for grabs local bragging rights are make the title pretty meaningless, right now.

Coyle said: "The fight doesn't need bad blood, it would sell on two Hull lads that are mates getting in there and the best man winning a tear-up."

Personal

"So I was annoyed that he called me an associate, he forgets the days when we didn't have any money at all and we were selling toys for a pound a go at the Lord Mayor's Parade."

"I travelled five hours to watch him in the ABA finals, shared a room with him in Australia — I think that's a bit more than an associate."

"I think that was personal." Coyle, 25, is the more experienced of the two in the

professional ring but the underdog against Campbell, one of the finest amateurs Britain has ever produced.

Unbeaten Campbell has breezed through his first 11 paid fights and hardly taken a punch, while Coyle has lost twice in 23 fights.

His heart though is massive and Coyle has had to climb off the floor several times to come out on top in fights.

And even though it's hard to make a case for Coyle, he

says: "I think Luke is being chucked in at the deep-end against me."

"It's the biggest stage of my career, 18 months ago I was selling fruit on the markets, so I am delighted where I am at in my career."

"I don't mind not being the favourite, it's perfect. He's a class act, but I am trying to get as far as I can in my career and he's in my way."

"I'll go in there and do what I do, and I am so confident and chilled about this fight,

there's no pressure on me."

"I can go in there and enjoy it, I have nothing to lose and everything to gain, get lots of pictures for the scrapbook, I'll enjoy it and I will pull off an upset and he'll have to rebuild."

"The real winners are the fans, as they always are in my fights, whether you support me or not, because I am either going to knock someone out or get knocked out."

"It makes for a great fight and a great night."

CORNISH NOT SCARED OF JOSHUA

ANTHONY JOSHUA has been warned to expect the shock of his life when he meets tartan terror Gary Cornish.

Britain's biggest prospect faces the Scot at London's o2 Arena on September 12 and few expect Cornish last long in their vacant Commonwealth heavyweight title clash.

But the unbeaten slugger's manager Tommy Gilmour warned the Olympic gold medal hero: "We're not here to make up the numbers."

"I could've found Gary 20 more wins no problem, but he wanted this fight and he's so excited."

Gary has been accused sometimes of fighting patsy's but it's never been the case, because the way he goes about his job, he has made them look ordinary.

"Yes, it would be an upset, but Gary has never lost, he doesn't know what it feels like to lose and he doesn't want to."

"If Anthony doesn't KO Gary inside one or two rounds then people will ask questions of him, all the pressure is on him, but don't underestimate Gary."

Eoin can be punters' pal

THE RPQTV cameras roll head to Henlow tonight for a quality card of mixed graded and open-race action.

I've found us a couple of cracking punts in the opens and I'm confident we can make wages off the book-makers.

The NAP of the night comes in the 550m maiden contest in the form of Loughteen Eoin. He's different class to these rivals and gets a serious drop in class here, this quality tracker has been mixing it with the big guns.

He was only beaten 0.5L by Rio Quattro who went on to win the Greyhound Derby worth a whopping £250,000 to-the-winner. He's got his box tonight and I can see him popping around in front and setting a ferocious pace.

There's no problem in him seeing out this 550m trip and he ticks all the right boxes.

The Next-Best comes in the sprint contest. I'm a big fan of Headford Joe and like the NAP selection he's given a confident vote.

If he comes away tonight he could quite easily post a sensational time.

He's rare though for a sprinter because he's often won from off the pace and last time he turned third but still ran out a 3.25L winner in a very fast 16.48.

I don't think any of these rivals are capable of posting such a slick time.

NOTTINGHAM MONDAY

Hell Letloose was super impressive on Sky Sports last time going down bravely by only 0.75L to the highly regarded Camp Joker.

That's mighty form and if he can repeat that here then the opposition is going to have to go some to stop him from winning.

Cape Impact is such a consistent greyhound and after a couple of recent narrow misses he can score for us tonight in the sprint contest.

On the 27th June he beat Reel Shirty at Towcester who on Thursday won a semi-final of the £10,000 to-the-winner Sussex Cup at Hove that's eye catching form.

LEW GRABS ANOTHER HUGE POLE

Hungarian Grand Prix

Sunday, 1pm start, live on BBC One and Sky Sports F1

LEWIS Hamilton will start from Pole as he tries to win a fifth Hungarian Grand Prix today.

The Brit sizzled in the Budapest heat to finish half a second in front of team-mate Nico Rosberg. Sebastian Vettel is third in his Ferrari, with Red Bull's Daniel Ricciardo making up the second row.

It's an amazing NINE of 10 Poles for red-hot Hamilton now this season and the 47th in total. He's also closing in on Ayrton Senna's record of 24 consecutive front-row finishes.

Hamilton said: "It has been a good weekend so far.

"I generally have good experiences here. I'm loving the weather, loving the city.

"In terms of how the weekend has gone I am incredibly happy.

"I can't remember ever having the kind of performance that I have had this weekend."

Rosberg had a face like thunder after being upstaged by his team-mate yet again.

Through gritted teeth, he said: "I don't have an explanation.

"It has been up and down all weekend. I am definitely not happy with the way it went today."

While Hamilton is flying along, the career of another British champion is going out with a whimper.

Jenson Button will start

FRONT ROW: Rosberg

in 16th after he failed to qualify under his own steam for the eighth time this season.

He had power problems and couldn't get a lap under his belt.

And it wasn't much better for team-mate and fellow legend Fernando Alonso who failed to set a time after his car broke down and he had to PUSH it back to the pits.

Rogers back in action

CHRIS Rogers is in contention to play in the third Ashes Test after returning to training.

The 37-year-old was assessed by doctors after retiring dizzy from the Lord's match last week.

The Aussie team doctor said: "Chris continues to improve and has rejoined the team in Nottingham.

"He will continue to increase his level of activity over the next couple of days and will be closely monitored by team medical staff.

"Chris saw another specialist in London, who confirmed an injury to his vestibular system in his inner ear."

It is thought the dizziness was a delayed reaction to being hit on the HELMET by Jimmy Anderson a couple of days earlier.

Stones cold cert to sign for the champs

**ENGLAND international
John Stones is 2/5 at
BetVictor to sign for
Chelsea before the end
of the transfer window.**

I would be surprised if Jose Mourinho didn't get his man although Everton are sure to try and get as much as they can for the talented defender who is still prone to making the odd clanger but is surely a Future England Captain.

Charlie Austin is unlikely to want to drop back down to the Championship and is 11/8 to sign for Steve McClaren at Newcastle United but if I were Tim Sherwood I would be keen on taking the striker to Villa Park.

Reports in the midlands suggest Sherwood is considering a move for Spurs' Emmanuel Adebayor but the African is not the force of old and appears to come with

JOHN LOOKS GONE AT 2/5

plenty of excess baggage to boot.

Austin was a success in a poor QPR side last term and would be a big hit at Villa Park; he is 9/4 with BetVictor to be a Villa player at the end of the window and that looks big with Sherwood having the resources at his disposal following the recent sales of Christian Benteke and Fabian Delph.

Benteke is likely to start the season as the main striker at Anfield and, following the departure of Steven Gerrard, is likely to take penalty kicks for the Reds.

With that in mind he makes plenty of appeal to score 15 or more PL goals this term and BetVictor's

quote of 5/6 must be the recommendation.

Christian Benteke PL goals

2015/16

Over 14.5

5/6

Under 14.5

5/6

The Belgian striker is 16/1 to be top PL goalscorer but I am sweet on the chances of Diego Costa.

The Brazilian born Spanish international had a terrific first season at the Bridge and would have won the Golden Boot last season had it not been for injury and suspension. At 6/1 he represents excellent each way value in what looks a two-horse race with Sergio Aguero a worthy 3/1 favourite.

★ At Uttoxeter today I am going to reluctantly

oppose Ullis De Vassy in the valuable handicap chase over 2m 4f given Dan Skelton's charge is not guaranteed to appreciate the extra half mile. As long as the ground is no worse than good the vote goes to the Evan Williams-trained DOMTALINE (4.10) who will appreciate the step back up in trip and is well treated on his best form for Paul Nicholls.

BALDING BANKER (5.20) hasn't seen the track for over 500 days but he has gone well fresh in the past and is well handicapped on his best form. He has been well entered up of late and is taken to reward each way support in the 16-runner staying handicap chase.

DAVID'S STILL DE SPURFECT CHOICE

Van Gaal says keeper WILL start the season

LOUIS VAN GAAL is certain keeper David de Gea will be between the sticks when Man United kick off their campaign against Spurs at Old Trafford.

How long he stays there, however, remains up in the air.

United are resigned to losing the Spanish stopper to Real Madrid either this summer or next.

But no business will be done before the visit of Spurs on August 8.

The 24-year-old has one year left on his current deal and is pretty certain to reject any new contract with the Red Devils.

There is one hitch in his seemingly desired move to Madrid and that is that United remain adamant he can only leave if they receive Spanish defender Sergio Ramos as part of the deal in return.

But that is looking an increasingly remote prospect with Madrid manager Rafa Benitez insisting he's going nowhere.

Recent reports suggest United – who are currently on their pre-season tour of North America – have agreed personal terms with the 29-year-old.

Benitez, who was appointed as Carlo Ancelotti's replacement in June, is well aware of United's pursuit of Ramos but is confident of keeping the Spaniard at the Bernabeu.

"When I arrived here, I spoke with Iker Casillas and Sergio Ramos, learned about their situations and gave them my opinions," Benitez said.

Casillas has subsequently slung his hook, but Ramos remains a significant

By **TREVOR CLEMENTS**

part of the former Liverpool manager's plans.

"Ramos has known since day one that I want him to stay and, as I said the other day, I'm convinced that he will stay," he added.

The desire to land De Gea is distinctly wilting.

Benitez has pledged his faith in Keylor Navas, who wants to establish himself as the recognised No1 at Madrid.

Benitez said: "We wanted to give him the chance to play and prove himself and he has done well."

"I need one goalkeeper for each match. As long as I have one, I'm happy."

De Gea is fighting his way back to full match fitness from injury.

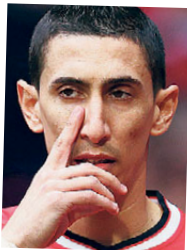

"When a player is injured in pre-season it's the same thing as in the season – you have to wait," Van Gaal said.

"I give players time to recover and build up their fitness. It's still possible he'll be ready to start the season against Spurs."

Another player who has been heavily linked with a move away from Old Trafford is British record signing Angel Di Maria (above left).

The Argentina international is also on the comeback road from injury but it seems certain he will no longer be a United player when the transfer window closes on September 1.

United played Barcelona last night without £15million signing Bastian Schweinsteiger after he picked up a "small injury," according to Van Gaal.

DECISION: Drogba

Indians hoping to takeaway Drogba

By **JOHN ANTHONY**

DIDIER DROGBA hasn't been out for an Indian – the Indians have come in for him!

Drogba has been offered \$1million – around £600,000 – by Atletico Madrid to become the marquee player for their Indian franchise, Atletico de Kolkata.

The Ivorian, who called time on his second spell at Stamford Bridge at the end of last season, has been offered a four-month deal by the Spanish club to play in the Indian Super League (ISL) later this year.

Atletico propose to pay Drogba, 37, \$1million, plus an unspecified bonus – in addition to all of his living costs to fly to India and undertake pre-season with ISL champions Atletico de Kolkata in August before competing in the league from October to December.

Drogba is considering his response but only has until next Friday to make up his mind.

Atletico's UK-based agent Baljit Rihal said: "This is a real statement of intent from clubs in the Indian Super League, who are passionately trying to put India on the global football map."

Choices

Since leaving Chelsea as a Premier League winner in May, Drogba has attracted the interest of several clubs including MLS sides Chicago Fire and Montreal Impact.

Chicago coach Frank Yallop confirmed on Thursday that the club would know by the weekend whether there was a realistic chance of Drogba joining the team.

"We're just waiting for a decision from their side on what way he wants to go," said Yallop.

"He has choices. We feel that we've put a pretty good pitch in."

"He's very happy with what we've done, but again, it's up the person himself to choose. We'll just have to wait and see what he decides."

Should Drogba accept the offer from India, he would join a host of big names for the second ISL season.

Real Madrid legend Roberto Carlos was recently appointed player-manager of Delhi Dynamos, while Drogba's former Chelsea team-mate Nicolas Anelka has the same role at Mumbai City.

And Brazilian defender Lucio has been confirmed as FC Goa's marquee player.

VILLA'S AYEW HOPPING MAD AT FROGS

By **MIKE MURRAY**

GHANA forward Jordan Ayew has finally won his battle to quit France and settle in Birmingham.

His dream move to Aston Villa looked on the brink of collapse after his Ligue 1 side Lorient put the brakes on the deal.

Villa put in a bid of £9million, matching Lorient's original asking price, but the French side then turned it down.

Ayew was beside himself with rage, claiming the asking price had been increased because Villa are a Premier League club. He blasted: "It was unbelievable.

I was told that I could leave for 12m euros – but then they asked for 10m in pounds, with 2m in bonuses, which makes it about 17m Euros. What the hell!"

Villa eventually stretched to £12m yesterday, and that sealed the deal for the promising frontman who had previously served Marseille with credit.

He is viewed by boss Tim Sherwood as the prefect replacement for Christian Benteke, who joined Liverpool earlier this month. But yesterday Ayew (right)

was proving difficult to appease as he continued to slag off the French side.

He said: "The meeting with Lorient finished very badly. I'm very annoyed – it is incredible what they were trying to do to me."

Finished

"They were telling me about how much Amavi was bought for by Aston Villa, but I am not Amavi. We are two different players who have two different situations."

"They are basically saying that English clubs have to pay more because they have

money. No matter what the outcome, life with Lorient was finished for me. They bought me for 5m euros and they blocked me."

"I was never going to change my decision. I told them so. Why did they want to keep me at that point?"

"It is the right moment to go to England – my wife speaks English. In any case I'd refused to go to training. It was finished for me."

"Okay, I had a contract, but I'd had a good year – they would make a good profit selling me."

"You can't change the rules of the game like that."

Better Lac next time, Wenger – Alex is staying

By MIKE MURRAY

ARSENAL's plot to snatch Lyon striker Alexandre Lacazette this summer looks to be doomed after his coach confirmed he is expected to stay at the club.

Chelsea are reported to be equally interested in the highly-rated French forward, but Arsene Wenger's Gunners were understood to be in pole position to sign the player who scored 31 goals in 38 games for the Ligue 1 outfit last season. Ironically, in a Jim Bowen's *Bullseye*-style moment, Arsenal fans got the chance to "see what they could have won" when Lacazette was with his Lyon side taking on the Gunners in the Emirates Cup yesterday.

But speaking ahead of the tie, Lyon manager Hubert Fournier told interested parties that the 24-year-old has no intention of leaving his side.

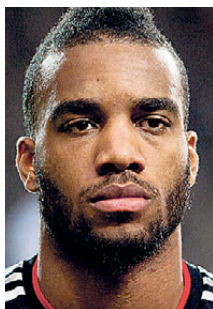

Smoking

"I haven't got much to say. He has said he wants to stay with us," Fournier said.

"Of course, some clubs are going to be attracted to the sort of player he is, but he's under contract at Lyon and, with all of the different competitions we have this season with the Champions League and the domestic French cups, we want to keep him at the club."

Arsenal goalie Wojciech Szczesny could be offered the chance of a loan move to Roma.

The 25-year-old played in the FA Cup final win over Aston Villa at Wembley, but lost his

STAYING: Lacazette

place in the Gunners' Premier League side to David Ospina at the turn of the year.

He had been playing inconsistently and boss Wenger lost patience.

The final straw came when he was fined for smoking in the showers after the defeat at Southampton.

With the arrival of Petr Cech from Chelsea, it looks like more slim pickings for the Pole next term.

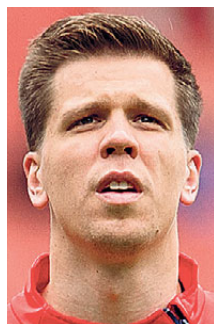

Action

And he'll get a much better chance of some regular match action with the Italian club.

Szczesny, publicly at least, remains committed to Arsenal for the long term and intent on proving himself the No.1 again.

Wenger will continue to monitor targets ahead of the transfer deadline, with Real Madrid's Karim Benzema and Borussia Dortmund's Pierre-Emerick Aubameyang still on his radar.

Midfielder Mathieu Flamini, meanwhile, is expected to leave for Galatasaray.

BATTLE: Szczesny

It's Ful speed ahead for Luke

FULHAM have snapped up highly rated defender Luke Garbutt on a season-long loan from Everton.

The 22-year-old full-back (above) is being farmed out for match experience after making 10 appearances for the Toffees last season.

He signed a new five-year deal last month but has been playing second fiddle to Leighton Baines and Seamus Coleman at Goodison.

Everton boss Roberto Martinez said: "Luke is ready to go out on loan and gain playing time and experience which will further help his development and, ultimately, help him to fulfil his potential."

"I genuinely believe he has all the talent in the world with his cultured left foot and he will shine and be a massive asset in the Fulham team and in their dressing room this season."

"This was always the plan for Luke after he impressed last season and regular, competitive football is the next step in his development."

"In his position, he is one of the most talented young players in England."

EMIRATES OUTFIT READY TO PUT

DON'T BE SUCH A TIGHT ARS

Boss ordered to spend big by Gunners chiefs

By JOHN ANTHONY

ARSENE WENGER has been told the cash is there to buy pretty much ANY player on the planet.

But he's so used to not splashing out that the notoriously tight Gunners directors have now ORDERED him to get the chequebook out.

Wenger seems to have eyes for only one player and, like the best looking girl in the town, they are already spoken for.

Yet the Frenchman can't get Real Madrid striker Karim Benzema out of his head – and he is now prepared to pay upwards of £60MILLION to get the deal done.

Gunners director Lord Harris says Wenger can afford anybody – barring Lionel Messi and Cristiano Ronaldo – hinting that there's as much as £200m in the bank for players if needed.

But tight Arsene isn't listening. Lord Harris said: "We could go into the market and probably buy any player in the world, apart from half-a-dozen who are unbuyable."

"In the accounts, there's over £200m in the bank. We would back Arsene to break the club's transfer record. If he wanted the man, he could have him."

"Apart from Messi and Ronaldo, he could have any player. We will probably

CASH IN THE BANK: Wenger

have to break the club record to get the man he wants."

That club record is the £42.5m paid for Mesut Ozil – but it looks like there will be no dream deal for Arsene.

Benzema's agent couldn't have put it any straighter when saying: "Karim is very happy at Real Madrid and he will be a Real Madrid player by the end of this transfer window – 1,000%."

"Karim is simply not looking to move anywhere this summer."

Wenger is expected to have one more go at Benzema in the final days of the

transfer window. He might succeed as Rafael Benitez will have been in charge for a couple of months by then and will probably have the striker playing at left-back.

But Wenger is being urged to look at other forwards to bolster a frontline that was hit by injuries last season.

Alexis Sanchez and Olivier Giroud have both been prolific in a red shirt but also have a liking for the treatment table.

One man who would fit into Arsenal's style is Robert Lewandowski. He's thought to be the main alternative if Benzema doesn't happen.

The Bayern Munich forward is thought to be available for around £40m and, unlike Wenger's main target, is actually open to a summer move.

But if Wenger wants to keep more of his cash, there's also Fernando Llorente, who is available for a cut-price £8m from Juventus. He could be a decent short-term option until his beloved Benzema becomes available next summer.

Either way, Arsene doesn't feel under any pressure to buy, saying: "I can understand that it makes headlines in the media, the amount of money."

"But what we want is to focus on the quality of your work and players and style of play and performance. That is what football is really about."

Wijnaldum is desperate for big kick-off

By **TREVOR CLEMENTS**

NEWCASTLE new boy Georginio Wijnaldum says he can't wait to be blooded in the delights of English football – starting at Bramall Lane today.

Newcastle face Sheffield United in a domestic friendly having returned from their pre-season tour of the States.

Wijnaldum will get his first taste of the rough and tumble of the English game against the Blades – not to mention a rendition of “The Greasy Chip Butty Song” which booms round the ground before the game.

Dread to think what passes for a greasy chip butty in the more exotic regions of the Netherlands.

But the Dutchman can't wait to get stuck in as he prepares for the first game against Southampton on the Sunday of the opening weekend, August 9.

Shine

The former PSV Eindhoven ace insisted: “It will be good. When I was in Holland I always wondered what it would be like to play in the Premier League. Now I will play the games for myself so I look forward to them.”

“I hope pre-season goes fast – I just want to start with the Premier League.”

Wijnaldum grabbed his first goal for the Magpies in the 4-3 defeat at Portland Timbers this week, but he said the defeat took the shine off his strike.

CAN'T WAIT: Wijnaldum

He added: “I'm really happy to get my first goal for the club because it's something I wanted to do.”

“I wanted it in the game before against Sacramento, but I didn't have the luck at that time.”

“Rolando Aarons had a good assist with the cross and I took it with the inside of my foot.”

“Unfortunately we did not finish the game that well, especially the first half.”

Brilliant

“We ended the game well and we scored two great goals, but it was disappointing to lose.”

The Dutchman first met his new team-mates halfway through the tour and said he was delighted by the warm welcome he received.

“The players are helping me and have been nothing short of brilliant,” he said.

“But also I must do it for myself. I work hard on it.”

“I feel good already as I knew it was the right move.”

Don't Bale on Madrid, Gaz!

WALES boss Chris Coleman has urged Gareth Bale NOT to sign for Manchester United – or any other Premier League club.

His star player has been linked with a return to England after an up-and-down two years with Spanish giants Real Madrid.

But Coleman reckons that's the last thing the 26-year-old should do, and that it would be a much better idea to stay in Spain and fight for his place in Rafa Benitez's side.

Coleman said: “I would rather him stay with Madrid because the quality is obviously there in La Liga, but the physicality is different.”

“The Premier League is the most unforgiving league on the planet and players get weary halfway through it. Physically it is very demanding.”

“La Liga is slightly different. The pressure is on him because he's playing for Madrid and every time he walks out onto the pitch, the spotlight is on him.”

“It's not easy to deal with and there are only certain players that can cope with that. Fortunately, Gareth is one of those players.”

THREE LIONS DRAWN WITH AULD ENEMY

Roy's Russian roulette

ROY HODGSON admits he might be GONE before England kick off their World Cup qualifying campaign.

The 67-year-old was in Russia to see his Three Lions drawn against old foes Scotland as well as Slovakia, Malta, Lithuania and Slovenia in their bid to reach the finals.

But his contract as England boss ends after next summer's European championships and the FA say they won't discuss a new deal until then.

Hodgson might well have been referring to himself in saying: "It seems very early and a little bit surreal for the draw. There will be a lot of people here today who may not be here in a year's time."

He added: "I'm certain none of the players will

be thinking about the World Cup just yet."

The England boss is happy to be in one of the six-nation groups. Only one team go through with the eight best second-placed teams going into two-legged play-offs.

Hodgson was happy enough with England's opposition, saying afterwards: "That's OK for us - it's not a bad draw."

Tough

Wales were a top seed for the first time and have a great chance to make their first World Cup finals for 60 years with games against Austria, Serbia, Ireland, Moldova and Georgia.

But Northern Ireland have a tough task to get past Germany, Norway, Czech Republic, Azerbaijan and San Marino.
