TODAY'S WEATHER

FK ME - SUN!**

DON'T get too excited folks, but it's looking like it might just be a sunny day on Sunday.

Temperatures are expected to reach 17 degrees around the country. Some clouds expected in the far north and Scotland though, so you probably won't be sunbathing there. Things look even better on Monday with temperatures hitting 19 and, if we're really lucky, the low 20s. Things cool down a bit on Tuesday though - 18C in London, 15C in Manchester and 14C in Edinburgh.

And to the horror of nearby residents, he then drops his load, pulls up his pants and walks away, meal in hand. One resident who

watched the video said: "We've all been caught short, but pooing outside someone's house is just disgusting."

"The bloke thinks he's got away with it. Little did he know he was being filmed."

Footage of the backdoor incident was posted on liveleak.com and has been viewed thousands of times.

The identity of the squatter is still not known, but the poo attack is shown to take place just yards from a main road near Trent Bridge Cricket Ground in Nottingham shortly past midnight on Monday morning.

Police are now looking into the anal incident.

Nic's Scher gonna change your mind on selfie sticks!

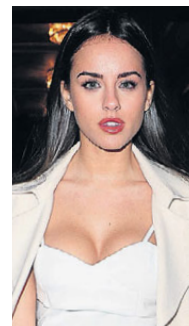

STUNNING Nicole Scherzinger showed that selfie sticks aren't ALWAYS a modern evil that must never be used - by talking a snap of her AMAZING cleavage.

The 37-year-old singer is holidaying in Cannes, France, and decided to take the opportunity to show off her new gadget.

So she snapped a cracking pic of her puppies and posted it Twitter.

She wrote: "Ahh Yeah, look who got a new selfie stick."

The gadgets, which let users take a photo of themselves from a distance on their phone, have been referred to as the most useless invention of the decade.

Georgia may pound her knockers!

STUNNING Georgia May Foote has hit back at critics who claim she's a failure for ending up on *Strictly Come Dancing*.

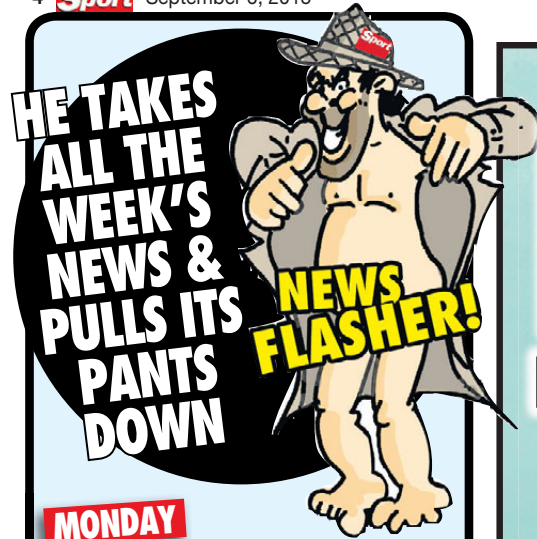

Internet trolls had attacked the former *Corrie* beauty, saying she left the soap to make it big in Hollywood.

But the 24-year-old Manc beauty insists that was never the case, writing on her Twitter account: "Just to clear something up, I never left Corrie to go to Hollywood. Ever."

She also hit back at claims she was wearing too much fake tan after she took part in a photo shoot to launch the BBC dancing show.

She said: "I'm not using too much fake tan, it's real - I've just been on holiday."

A showbiz insider said: "Georgia has been getting a fair bit of stick lately, hopefully hitting back will stop it."

NAT'S WHAT TO SEE IN THE HOUSE!

MONDAY

POP stars Nicki Minaj and Miley Cyrus have an on-stage slanging match during a live awards show. Critics have compared the "bust-up" to the trash-talking during a wrestling match. But it's totally unfair to compare those two industries. Some wrestlers can actually sing.

TUESDAY

ISIS loons destroy the historic temple at Palmyra – and promise to keep attacking any ancient ruin of interest to students. Police place a 24-hour guard on Judy Finnigan.

WEDNESDAY

A FEMALE rugby player is praised by a judge for tackling a thief who fled from a jewellery shop in Gloucester with a precious gold ring stashed up his JACKSIE.

Fair play to her, but are we sure she didn't think it was a drinking game? I'll bet she only tackled him because he wasn't downing a pint and singing *God Save The Queen* while the ring was up there.

THURSDAY

THE UK's national sperm bank warns it's running dangerously low on supplies.

Ironically, it's the only bank in Britain that builds up reserves when you make a withdrawal – as long as you manage to catch it in the plastic cup.

It's also the only bank not asking for a bailout in a crisis. Never mind a bail – sounds like they'd barely have enough for a ladleful.

FRIDAY

ROLLING Stones legend Keith Richards reveals that he takes his guitar to bed with him. Whatever floats your boat, Keith!

We're guessing that on special occasions, it strips down to just its g-string.

Personally I've never taken a string instrument to bed. Although I may have enjoyed the occasional brass.

SATURDAY

SCIENTISTS invent a pen which can detect dementia.

The £160 device has a series of built-in sensors which analyse every stroke, angle and even hesitations by the writer.

Big deal. My dementia-detecting pen only costs 10p.

It's a standard biro which you put down. And if you can't remember where it is five minutes later, you've got dementia.

HAPPIER TIMES: Nat with ex-hubby Riad Erraji

By **JESS GALLEY**
jess@sundaysport.co.uk

SEXY Scouser Natasha Hamilton is yet to get her BOOBS out in the *Celebrity Big Brother* house.

But we can exclusively reveal her TOPLESS beach pictures after the former Atomic Kitten singer stripped off and frolicked in the sea on holiday.

And after seeing these racy bare-skin snaps – here's hoping the pop babe decides to get her kit off on the Channel 5 show.

The singer is currently starring in the reality show – and is joined by busty porn stars Jenna Jameson and Farrah Abraham.

Queen of porn Jenna has already flashed her whopping 32E norks on camera when she stripped off for a steamy session in the hot tub.

But fans are yet to catch a glimpse of the Liverpool beauty's pert knockers.

These raunchy snaps were taken in 2006 during a romantic getaway in Miami with her ex-hubby Riad Erraji.

And the 33-year-old – who is now married to Five singer Ritchie Neville, 36, – still looked scorching when she made her way in to the house last week.

HANGING OUT: Nat with other celebs in the CBB house

Jenna: Porn stars suck

The world's most famous PORN STAR says her male co-stars are SHIT in bed.

Jenna Jameson said that lovers are often too intimidated to sleep with her because their members aren't as big as male porn stars – but she said it shouldn't be a problem.

Jenna, 41, who is currently starring in *Celeb Big Brother*, also confessed she cringes when she sees her own skin flicks and can't watch her own filthy antics on screen.

She said: "I never get asked on dates because men think 'I'm not as big as a porn star'. 'Porn stars are terrible lovers. Some are embarrassing."

Sherrie's sex plug trick

SOAP star Sherrie Hewson has banned her CBB housemates from BONKING.

The *Loose Women* presenter admitted to taking earplugs into the house with her because she doesn't want to hear any of her co-stars getting hot and heavy.

Por Sherrie, 64, who has been unlucky in love after she was dumped by two husbands, confessed that she hasn't had sex in 13 YEARS.

She said: "I don't think people should be having sex on TV.

"If I feel someone is at it in the next bed, I may have to tap them on the shoulder and ask them to quieten it down a bit.

"I have earplugs so there's a chance I might not hear."

Axed Tila flick up 2m!

A SEX tape of Tila Tequila has received TWO MILLION extra hits since the star was booted out of the *Celeb Big Bro* house.

Adult websites have been bombarded by fans logging on to watch the babe's steamy xxx-riding action.

In the five-minute clip Tila is filmed sucking on a johnson before begging her fella to "f*ck" her.

She then lays back on a bed and enjoys a long romp.

Tila was evicted from the show after bosses became aware of a picture of her from 2013 in an SS uniform stood outside Auschwitz.

Jorgie pees her pants in street fight

LOUDMOUTH Jorgie Porter has revealed her secret to dodging a scrap – wetting her PANTS.

The blonde stunna has been in the scrapes as gobby Theresa McQueen in Channel 4 soap *Hollyoaks*.

But the 27-year-old admitted in real life she would resort to the bizarre urine technique before ever throwing a punch.

She said: "I don't like street fighting, I'd just run away."

"I'd be the fighter who just wees her pants in fear and the other person ends up slipping on it."

Manc babe Jorgie, a self-confessed "naturist", also said she annoys her friends on nights out with a bit of "backdoor" action.

She said: "I'm a back door escaper. I'll say I'm just going to the toilet and I'll head home to watch Netflix."

She added: "I'm always starters around my friends' houses. It's exciting to walk everywhere, with nothing on."

Vicky: No more sex on TV for me!

HORNY Vicky Pattison has promised her mum she won't shag on TV again – after being filmed **BONKING** her fella.

The 27-year-old said her boobs are just for her fella and she will never get caught in a telly clinch again.

Newcastle-born Vicky was previously filmed romping with ex Gary Beadle, 27, in reality series *Geordie Shore*.

But after striking up a relationship with new flame Stephen Bear on *Ex on the Beach 3* she vowed to keep her clothes on.

She said: "I won't shag on TV anymore, I promised my mum." "During *Ex on the Beach* I kissed a few boys and made a few mistakes – but nothing else."

"Having sex on TV is my biggest regret and I find it very hard to cope with the fact I did it."

"It's such an intimate thing to do and to know everybody has seen it is just awful."

Sounds like good Sport to me!

NEW X Factor judge Nick Grimshaw began his working life surrounded by snaps of NAKED ladies – and even pics of FULL SEX!

For the new face on the sinking ITV talent show was a work experience trainee at Sport Newspapers – former publishers of *Sunday Sport*.

While working at the old Sport Towers, Oldham-born Grimmy, now 31, toiled on Sport Newspapers' late, lamented *Ladsmag* and *Adult Sport* magazines, which featured:

- FULL female nudity
- HELD-OPEN, so-called "American-strength" pictures, and
- CLOSE-UP pics of ladies' private parts!

Photo sets handled by Grimmy and his colleagues also contained **HARDCORE** images showing eastern European ladies enjoying full and ANAL sex and **MESSY CLIMAX**.

Ironically, given that he started working surrounded by breasts and minge, Radio 1 breakfast show host Grimmy later came out as a gay.

Grimshaw attended the University of Liverpool between 2003 and 2006, where he studied Communication and Media Studies – but he failed his final year,

By **BARNEY SAMUELS**
news@sundaysport.co.uk

graduating with a DipHE rather than a Bachelor's degree.

That was more than enough book-learning qualification to work for the Sport magazines, which were then based in Manchester's now-trendy Ancoats district.

One former colleague recalled: "It's no overstatement to say that Grimmy was up to his eyes in minge."

Pissflaps

"They were close-up pictures – glistening pissflaps, the lot."

"There was also plenty of full-on porn where you could see it going in – even though we had to censor those for the mag. "He never once squealed or said, 'Oh yuk! Girls!' so we had no idea he was gay."

Nick was at No.8 on the *Independent's* list of the 101 most influential LGBT people in Britain 2012 – possibly due to his work at the *Sport*.

The latest series of *X Factor* attracted an average audience of just 7.1million viewers on its first night.

RAUNCHY Rita Ora has confessed she loves watching Miley Cyrus get **NAKED**.

The 24-year-old *X Factor* judge praised the wacky *Wrecking Ball* singer for stripping off after her provocative appearance at last week's MTV VMAs.

Busty Rita (left) compared the 22-year-old former child star's nude antics to Madonna – who released a book of nude photos of herself called *Sex* back in 1992.

Rita said: "Miley is the main supporter of that message of being comfortable in your own skin."

"Madonna started it. Artists who are willing to do it only come along once in a blue moon."

Calvin Harris' ex is no stranger to getting her kit off herself and admitted she loves to whip off her clothes and throws 'naked parties' at home.

**THE VOICE OF
YOUR BRITAIN**

**We risk

for YOU!**

YOUR average Sunday Sport reporter is a hardy individual – fair-minded, dependable, determined.

It takes years of honing skills before they reach the heady heights of the newsdesk.

And during that time they develop a thick skin. They've seen it all.

They've chronicled murders, warzones and Westminster politics – the lowest humanity has to offer.

After all that, it takes a LOT to shock a Sunday Sport reporter.

So when our man returned from interviewing Doreen, Frank and Albert Taylor, we were amazed to see him psychologically traumatised.

Their disgusting story of an incestuous threesome in the woods of the Forest of Dean left him mentally shattered. He's now taking a well-earned break in a special facility – but do not fear, he will be back next week.

And we guarantee we'll keep on risking our sanity to bring you the very best stories in the WORLD.

No other paper makes that promise!

Instead, XXX pranksters have dressed up a woman in her image and filmed her SUCKING OFF huge Johnsons.

Those responsible should be run out of the country!

SPECIAL REPORT

By **BARNEY SAMUELS**
news@sundaysport.co.uk

But the unholy trinity of Doreen, Frank and Albert Taylor is enough to make even a *Guardian* leader-writer scowl with disapproval.

For the sister and two brothers do not just share a home in the dark Forest of Dean, Gloucestershire – they also share a BED... and all that entails.

Doreen, 55 – clearly the brains behind the outfit – agreed to discuss with us the bizarre “menage a trois” as though she were describing the layout of the vegetable plot behind her neat cottage.

Almost boastfully she said: “Things are different down here in the Forest,

boy. There's fancypants London folks who come down here in their shiny motor cars, looking down on our ways and saying this should be suchlike and that should be so-and-so and what have you.

“Frank and Albert are big men – healthy men. They're good in the fields, good chopping wood – and good in other ways. HA! HA!”

“Don't get me wrong, I've had suitors – lots of them when I was a young slip of a girl. But they didn't measure up.

“They soon got the message. Frank and Albert had to chase a couple off into the woods with their axes. HA! HA!”

during the interview apart from occasionally muttering: quietly: "We share the bed with Doreen."

It is entirely possible the pair may be simple-minded.

When Doreen offered our man a meal of the local delicacy – baby eels – he made his excuses and left. While the

stench of incest may hang heavy over the Taylors' woodland cottage, it is by no means a rare scent in the swampy lowlands of the Forest of Dean.

Settled by an independent-minded population who fear and mistrust any outsiders, government officials give the

area a wide berth wherever possible.

When the coal mines were nationalised in 1946, the Forest of Dean coalminers – known locally as "freeminers" – were exempted as coal board officials were too scared to tackle the locals.

A government official based

in nearby Bristol said: "The Forest of Dean is the closest thing Britain has to that film, *Deliverance*."

"There's things going on in there that would make your hair curl."

"These three you've found, they're not unusual – they're normal for Gloucestershire."

Fill-her-up BJ at petrol station pair due in court

CUSTOMERS at a petrol station got a four-star show when a randy woman SUCKED OFF her lucky fella while he filled his motor.

Unfortunately for Angel Lee Brogdon and Jason Kelley, their escapade was caught on CCTV and they have now been hauled before the courts.

Police in Henderson, Tennessee, said they got a report from a staff member that a couple were engaged in oral sex on the forecourt.

Savannah Trice, a cashier at Odens Marathon convenience store, said: "It disgusted me more than it surprised me."

"They could've gone home. They could've waited instead of doing it at a gas station."

Police said several witnesses caught a glimpse of the sex act.

One said: "You crazy to sit up there and do that in front of one of the busiest stores in Henderson."

"I wouldn't do that in front of nobody, and I feel like you should have respect for other people. Don't nobody want to see that."

The couple are due in court on September 8.

Each faces a \$500 fine for lewd conduct.

Jen in naked photo shock

NEWLYWED Jennifer Aniston could be the next celebrity beauty to be caught up in a NUDE PHOTO scandal.

The stunning actress's long-term pal Jason Bateman revealed he has "a great deal of dirt" on the former *Friends* star – and he'll go public with it if he has to.

The 46-year-old actor even suggested he's got his own private collection of SAUCY SNAPS of Justin Theroux's new wife.

Luckily for Jen, her *Horrible Bosses* co-star had his tongue firmly in his cheek when he said: "I've got a great deal of dirt on Ms Aniston. As long as she continues to hire me for her projects, I won't show the pictures. "It's all gonna come out in my autobiography!"

ANAL ACADEMY

A POLICE college in Atlanta has apologised for telling new recruits that *BUM SEX* was a crime – almost 20 years after it was legalised in the US state of Georgia.

Outrageous Bake Off porn spoof

WITH over 10 million viewers, *The Great British Bake Off* is Britain's FAVOURITE TV show.

On paper, the great attraction is hard to fathom.

Some people making cakes, watched over by an old lady, while a lesbian and her mate make innuendos.

But, like the magical alchemy that is baking, those unappetising individual ingredients come together for a scrumptious final product. Bake Off has become a TV institution and has made household names of cake-baker Mary Berry

By SIMON DEAN

and beard wearer Paul Hollywood.

But those cheeky chappies at Television X have now come up with a PORN SPOOF of the show – *The Great British BONK Off*.

Starring Rebecca More as Mary Cherry and Ben Dover as Paul Hardywood, the fanny batter is flying and more than a few babes get some cream squirted into their muffin.

A Television X source said: "If you're a fan of Bake Off and you're a fan of X-rated, see-it-going-in adult movies, you'll love this."

TWO pensioners were filmed BUMMING in the back garden by a shocked neighbour. Jeffrey Belden (above), 63, and 77-year-old Donald Williams (below) are facing indecent exposure charges after the neighbour called police. Pam Miller, who witnessed the romp in the back garden in Coldwater, Michigan, said: "I was shocked. Nowadays nothing seems to shock me, but in a small neighbourhood, yeah, surprised."

Court documents say Belden and Williams were performing sexual acts on each other in full view of traffic. Ms Miller said: "There are too many kids out here. It's public, it's a nice neighbourhood." Court documents claim police found 145 pictures of illegal pornography at Williams' house. Williams is currently behind bars in the Branch County jail awaiting trial, while Belden is free on bail.

A UNIVERSITY has issued a guide to new students – advising freshers not to WANK in front of their roommates! The Gazette, the student newspaper at Canada's University of Western Ontario in London, Ontario, has produced a handy crib sheet for new undergrads. And near the top of the list is the 'no-wanking' rule. The Gazette warns: "Masturbating is healthy. It might relieve your stress and end your day on a high note. "However, if you have a roommate, be more considerate. While you might think you're being discreet, when your beds are four feet apart there isn't much your roommate doesn't see or hear. "So unless you have a prior arrangement, do it when your roommate isn't in the room."

STUNNING Nicola Stapleton has won rave reviews playing Ronnie and Reggie Kray's mother in the smash hit flick Rise of the Krays. The film, based on the early life of the notorious East End gangsters, is one of the biggest movie sensations of the summer. And critics singled her out, Nicola, 41, for her performance as the twins' mum, Violet. Now fans will be

Fish porn pervert spared jail

By **JESS GALLEY**

A MAN has avoided prison – after he was caught with extreme FISH PORN on his mobile.

Nelson Nazara, 45, was handed a six-week suspended sentence after pleading guilty to harassing his wife and possessing three images.

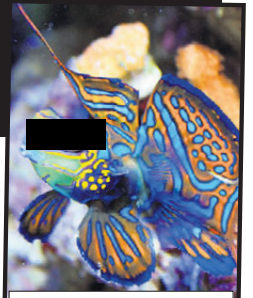

Police officers found sick explicit footage of a man having sex with a fish, and a video involving a woman and a dog, after taking Nazara's phone.

Scared

His marriage had broken down in May and he approached his wife three times following the break-up, which led to police confiscating his phone – and then discovering the clips.

On June 5 and 25 Nazara's wife spotted his car as she drove home from work.

The first time he pulled over, signalling for her to do the same, and the second time he

drove alongside her and gestured through the window.

He then approached her outside her home, prompting his scared wife to drive to a police station in St Neots, Cambs, where she called the police from her car.

At Huntingdon Law Courts, Kevin Warboys, defending, said: "One of Mr Nazara's friends, knowing how upset he was, sent him three images in what seems to have been a misguided attempt at distracting and amusing him.

"There does not seem to be any content that Mr Nazara might find arousing.

"He believed he had deleted them all.

"He had not kept them for any purpose that might be of greater concern."

Teacher jailed for fingering girl student

A PRIVATE school teacher was jailed for just 10 days for fingering a 17-year-old student and pressuring her into a lesbian affair.

Leslie Barton, 54, a married mother of a young child, began her pursuit during a school trip in 2010.

She wrote several love letters to the teenager and massaged her shoulders.

That escalated to a stolen kiss by the end of the trip.

"After the trip, Leslie Barton's sexual advances increased in frequency and aggressiveness," a court document says.

The kissing and sexual contact escalated to fingering during meetings at certain places in the school in Peterborough, Ontario, Canada.

Eventually, the girl underwent counselling and confronted Barton before telling police.

BUSTY Kelly Brook has been caught up in a DOUBLE DIP sex scandal.

The Brighton-born scorcher was begged by a fan to engage in the taboo sex act on her Instagram page.

But the randy fan said it would really

Tight-fisted Teutons regularly get into fights with family members and flatmates who have helped themselves to the sweet treat without permission.

Now, so-called "Nutella locks" have gone on sale on eBay Germany.

Daniel Schobloch, of Borkenkaefer Furniture and Fittings, came up with the idea.

"The idea started out as a joke," he said.

"One of my friends was

always getting worked up because his children were stealing his Nutella."

Schobloch designed an acrylic lock that the man could fasten over his treasured Nutella jar.

"As demand grew, we decided to offer the device on eBay," he added.

More than 1,000 locks have already been sold, with a waiting list growing.

Many psychologists believe Nutella is huge in Germany because it reminds them of so-called Scheiße sex – a vile act popular in Germany that cannot be described in a family newspaper.

WARNING: THIS MAN HAS SEX WITH CAR EXHAUSTS

NOT SAFE: Martin can't stop bonking cars

An ex-traffic warden who has sex with cars has gone on the run after escaping jail.

The perv was fingered after being admitted to hospital with a burnt Johnson.

Thomas Martin, 42, lost his job last year after he was caught on CCTV sticking his five-inch member up the exhaust pipe of a 1998 Toyota.

And Martin later confessed he had thrust his erect penis in to the still-hot exhaust of the luxury white motor.

He was spared prison and placed on probation but jailed six months later when he was caught shagging a Mini.

Martin is now a fugitive and police in Toledo, Ohio, believe he may be with family in Luton, UK.

One cop warned last night: "People of Britain beware, Thomas Martin will have sex with your car."

Online sex cop choked and robbed

A COP who answered an online ad to take part in a sex romp was **CHOKED** by con artists in a hotel room until he passed out. Christopher Cassell, 24, who was working as a deputy at Lorain County Sheriff Dept in Ohio, was robbed and assaulted after meeting a stranger for sex. Cassell admitted meeting 43-year-old Dawn D Gibson – using the alias Ashlee – on free ads site Craigslist. They arranged to meet at a local motel for sex, where Cassell (*above*) paid her \$65, but three men burst into the room at Elyria's CareFree Inn and attacked him, police say. The off-duty cop says he was choked until he passed out, then robbed of his gun and wallet. When he came to, he went to the local police department where he was arrested and appeared in Elyria Municipal Court. Dominique Mincey, 27, and Jordan Marquez, 21, were arrested and charged with robbery, while Gibson was charged with complicity to rob and solicitation. Cassell, who has since resigned, was given a suspended 60-day jail sentence and ordered to pay a £160 fine.

Perv blames goat bonk on demons

AN 18-year-old who was caught balls-deep in a GOAT reduced a court to laughter when he tried to blame DEMONS. Mqhelisi Gumbo claimed he'd woken in the night and walked "as though in a trance, as hypnotised" to neighbour Justin Ndlovu's farm. Once there, he proceeded to have sex with the goat. The animal's bleating woke Ndlovu, who went to investigate and found Gumbo up to his nuts in the distressed nanny. Gumbo, of Bulilima, Zimbabwe, pleaded guilty to bestiality – but insisted his actions were being controlled by demons sent by his enemies. Wiping tears of disbelief from his eyes, magistrate Gideon Ruvetsa sentenced Gumbo to more filth – emptying and cleaning his village's cesspit.

WINNER: Champ Daniel Skelton with Rebecca and Emma

By **SAM WALKER**
 samw@sundaysport.co.uk

THESE topless babes got a mouthful when they joined in a Man V Food EAT OFF. And *Sunday Sport* blonde Emma Bradley, 28, bared her tasty buns for the bird-munching challenge. Lucky customers even had a nibble from the 32FF stunner when she grabbed a fork to help out. The event was held at Chicken Peri Peri in Stroud, Glocs, and saw challengers wolf down three whole chickens, two plates of rice and a double helping of chips in just 45 minutes. And redhead model Rebecca Mitchell, 27, was there to cheer the lads on, too. Emma said: "The guys were distracted when I shoved my boobs in their face!" Local lad Daniel Skelton, 28, was crowned the winner.

DEANO ON SUNDAY

NICOLA Sturgeon says she plans to use new powers that are coming to the Scottish executive both "creatively and ambitiously".
 And what is Nicola, Queen of Scots' big idea?
 All the road signs north of the border are to be translated into Gaelic.
 I thought that was a sort of bread you get with your pizza. It is, in fact, the Celtic language that was spoken in Scotland in prehistoric times.
 There are, at a push, some 58,000 Gaelic speakers now in Scotland. Most live in the Outer Hebrides.
 And so road signs from Falkirk to Fraserburgh will be translated into this antique tongue at a cost of £26MILLION.
 So that's a creative and ambitious use of your powers, eh, Nic?
 Sounds like a f**king great waste of money to me.

Has the NHS got TOO MUCH money?

MOST people, I assume, think that when we pay our taxes the part of that money which funds the NHS is spent wisely.

Surely that is why the NHS has not faced the cuts that most other government departments has been forced to make.

We naturally assume that our money is being spent on making poorly kiddies better, helping cancer sufferers, paying for medicines and all the latest cutting edge surgical techniques.

But the fact is, these assumptions are BOLLOCKS!

Yes, the vast majority goes on worthwhile things such as pills, scalpels and nurses' wages.

But thousands of pounds from NHS "personal health budgets" are spent on "treats" such as holidays and clothes, a Freedom of Information request has found.

Medics magazine *Pulse* said money had also gone on horse riding, art classes, massage, and, in one case, a summer house.

That's f**king right, a summer house.
 Money that was taken from

your wage packet is being spent to pay for someone's c**ting summer house.

And we thought that MP's moat was a waste of public cash.

The mag found these astonishing ways NHS dosh was spent:

In Northamptonshire, £2.55m was spent on personal health budgets for 161 patients, including on a sat-nav, new clothes, and the construction of a summer house so one patient could have "their own space".

In Cornwall, £267,000 was spent on five people, including £2,080 on aromatherapy, £248 on horse riding and

£7 on hiring pedalos.

In Stoke-on-Trent, £114,000 was spent between 115 patients, including money for a Wii Fit computer game and more than £1,000 on music lessons.

Pedalos, computer games and aromatherapy. I'm sure that's exactly what the founders of the NHS had in mind when they set it up in 1948.

Any public body that is spunking cash on sat-navs and flute lessons is a public body with too much money.

The NHS is not there for giving people "treats". It's for bandaging broken legs and cutting out tumours.

Looks like reign again, dear

ON Wednesday, at 5.30pm, the Queen becomes the longest reigning monarch in the history of our country.

Sixty three years of being the Queen.

Sixty three years of never getting drunk in public, never farting, never getting in a strop and telling someone to f**k off. Never being able to nip to the chippy or to the Co-Op.
 Sixty three years of shaking hands with mayors and mayoresses and daft twats with Union Jack hats.

Sixty three years of knightng people you know full well are crooks or nonces and of shaking the blood-soaked hands of murderous dictators from the shittier corners of the world.

Sixty three years of technically having the power to say "Right, f**k the lot of you. I'm taking charge" but having the discipline, humility and sense of duty not to.

Nut-munching republicans like to whine that the Queen is too rich or has too many palaces.

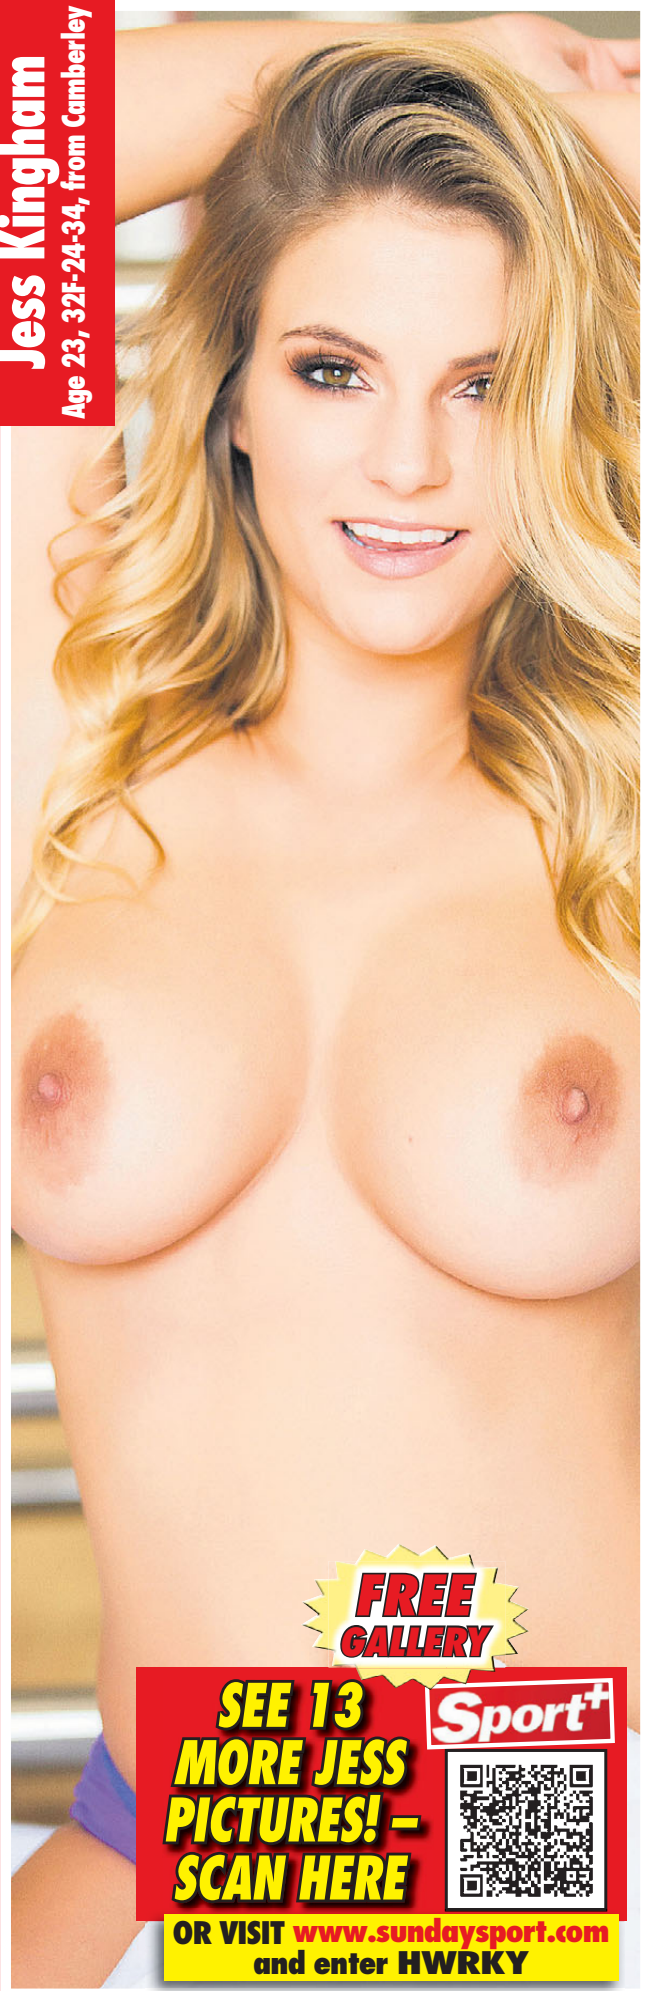

BOLLOCKS!

For the life-sentence of duty and service Her Majesty has borne without complaint there are not enough jewels in the world. God bless you, Ma'am.

MORE than 100 Syrian refugees have crossed the Arctic border into Norway from Russia on BICYCLES, exploiting a loophole in the country's border regulations. According to official rules, it is illegal either to cross the border on foot or to give someone without papers a lift, a problem Syrian refugees have sidestepped by using bikes.

BUILDERS in the Galician town of Cristovo de Cea confused a neolithic tomb with a broken stone picnic table and replaced the 6,000-year-old artefact with a brand new concrete bench. Prof Juan Barceló, from the Universitat Autònoma of Barcelona, said: "This was a monumental error."

Babes from new action flick revealed

By **BARNEY SAMUELS**
news@sundaysport.co.uk

THE latest *Transporter* flick may be missing Jason Statham – but it's still choc-full of hot titty who like to get their BOOBS out!

The Transporter Refueled is the fourth film in the franchise and features Ed Skrein as the new Frank Martin in the title role. In the south of France, former special-ops hard nut Martin enters into a game of chess with a femme fatale and her three sidekicks who are looking for revenge against a sinister Russian kingpin. In short, it's guns, birds, cars – pretty much everything you need! But some of the babes in the movie have got saucy topless pasts. Noemie Lenoir, 35, who plays Maissa, appeared in that saucy M&S panties ad – and also stripped topless at the Crazy Horse cabaret in Paris. As for Gabriella Wright, who plays Gina, she got the lot out in the vampire TV series *True Blood*.

STUDENTS TALK SEX!

FIRST TIME

GINA: It was really bad! It was with my boyfriend so it was bound to be bad. We were both virgins and he was ugly, although I did fancy him at the time. He had a twin brother and it was his twin I wanted but he didn't fancy me so I had to make do. It was over very quickly. It was in my brother's bed too, which wasn't the best place to be.

HAYLEY: Mine was OK but the lad did have a girlfriend at the time. When we had finished my mum found the empty condom wrapper when she came home. He knew it was my first time and he did try to make it as special as he could.

WORST SEX

GINA: It was with a guy who looked like a frog. It was one of those moments when halfway through having sex I realised I didn't want to. I needed it over and done with very quickly. And to top it off, he was quite small. I was drunk but he was sober so he had no excuse for the poor performance.

HAYLEY: It happened when I was really drunk. I couldn't remember a thing and had to ask him in the morning if we'd even had sex. He wasn't very happy about that as he thought all his hard work had been wasted on me.

OUTDOORS

GINA: I love to have sex outside. The best bit of it is that you can be caught. If you want sex outside, there's no planning involved and you can just do it instead of waiting until you get home. I've done it in alleyways, on the beach and on a pedalo. The pedalo was good as we were quite a way out.

HAYLEY: I like the thrill you get and like being at one with nature. I've done it in a park, on a car bonnet and down an alley.

THREESOME

GINA: That's something I'd like to do but I'd rather it was with another girl. That way you can put on a bit of an act for the lad. I'd be a bit more than a lipstick lesbian and actually do something with the girl.

HAYLEY: I've had a couple. The first one doesn't really count as I was quite

it down the phone – and it didn't sound good!

WILLY SIZE

GINA: It's how you use it that counts. But that doesn't mean my boyfriend is small! Some girls I know have been with guys who have been smaller but the sex has been just as good, if not better.

HAYLEY: I don't think it matters either, and it can be too big. Small can be good but just different. Plus, I think small lads work harder so perhaps we should all get boyfriends with small ones.

SPIT OR SWALLOW?

GINA: I swallow. Spitting is too much effort.

HAYLEY: I think it's more disgusting to spit. Girls don't spit, that's sick. Just get it down you!

FAVE POSITION

HAYLEY: Definitely on top for me. Girl on top equals best sex in my opinion, without doubt.

GINA: And you are in control of the pace.

HAYLEY: Oh, that's the best thing about

FAKING IT

GINA: I've never faked. I think they'd know – I don't think I'd be a very good actress. Plus, I think my boyfriend would be disappointed if he knew I faked.

HAYLEY: If I was a boy, I'd be gutted if I found out my girlfriend faked when I was with her. And I wouldn't want my boyfriend to fake. Plus, if you fake it all the time, how are they going to get any better?

GINA: Yeah, they'll think they're really good. You can tell them subtly.

HAYLEY: Yes, you don't have to tell them they're rubbish.

on the pool table. It was a pretty bizarre situation but a very good one.

GINA: When I was at college I was sucking this guy off in a park and when I came home I had muddy stains on my knees.

BUM FUN

GINA: I do it all the time – but never with a random. It's good with someone I'm in a relationship with. I try to save it for special occasions, but at the end of the day, when we get down to it, I just can't help myself cos I love it so much! I have to have been with them for a while though.

HAYLEY: I don't have to be with them a long time, I just have to be wasted! I find it can be a little painful so I only do it when I'm drunk. It numbs the pain.

Pool table orgy was captured on camera!

young and it didn't last too long, but the second one was class. It was on a pool table in a conservatory. It started off with two people, then a few more joined in. Throw in a video camera and we have an orgy! I'd already slept with three of them previously and we were all drunk.

GINA: Have you seen the video?
HAYLEY: I've never seen it, but I did hear

it! You can thrust as deep as you want, as fast as you want, and he can't do much about it. And I know my boyfriend LOVES to look at my boobs while I'm grinding away.

GINA: I like being on top too, but I like it facing the other way. I don't know whether the bloke prefers that or not, I just find I get deeper penetration that way.

WEIRDEST SEX

GINA: Mine was probably on that pedalo. We were both bored so we hired one. We got quite far out and for some reason I got a bit horny. People were riding past on jet-skis, but at that point I didn't care.

HAYLEY: Mine would have been

BBC2, 11.45pm - Soul Men

Vanessa Del Rio is on top of Bernie Mac screwing him and we see her large breasts as he looks up at her at five minutes in.

C4, 1.40am - Rust And Bone

This is what Channel 4 was invented for - French filth. The action starts just 30 seconds in with Irina Coito's big boobs (right) and continues throughout, with Marion Cotillard making a particularly fine contribution.

BBC3, 9pm - Jarhead

Brianne Davis shows some lovely bare boobs at eight-and-a-half minutes.

ITV3, 11.30pm - Meet Joe Black

If you have eyes like a shithouse rat you could get a peek at Claire Forlani's right teat tip at 1hr 48.

WEDNESDAY

ITV4, 10.30pm - Death Wish 2

Crammed with boobs and bush, beginning just after 10 minutes with Silvana Gallardo's parts (below).

5*, 9pm - Hansel And Gretel: Witch Hunters

Pihla Viitala strips down for a skinny-dip in a creek at 45 minutes. We see a great shot of

her buns and a glimpse of left breast when she turns around.

Horror Channel, 9pm - Countess Dracula

Based on the true story of Countess Elizabeth Bathory, deliciously

brought to life by Ingrid Pitt's chubbies at 36 minutes and

1hr 10.

THURSDAY

A glimpse of some bathtime boobs at 35 minutes (left),

courtesy of Barbara Hershey's body double.

MONDAY

TUESDAY

ITV2, 10pm - The Girl With The Dragon Tattoo

Absolute flesh fest in this Yank version of the Stieg Larsson book. Rooney Mara plays minx Lisbeth Salander and she's not shy. Look out especially at 1hr 16 for the lezza stuff with Miriam Wu.

ITV4, 11pm - Smokin' Aces

Janet Edwards is "naked prostitute", doing what naked prostitutes do from 18 mins (above).

Horror Channel, 10.50pm - Trick Or Treat

I'm informed that Elise Richards gets them out at some point in this comedy horror but no timings, I'm afraid.

FRIDAY

C4, 12.40am - Byzantium

Gorgeous Gemma Arterton listens to a serious monologue in bed at 1hr 5mins, her right nipple just hanging out of her corset top.

True Entertainment, 9pm - The Amy Fisher Story

Quick look at Drew's left nipple, ass crack and pubies as she gets banged at 27 minutes. Only it's a body double.

Horror Channel, 11pm - The Devil's Tomb

War hero no longer an Enigma

Bletchley Park: Code-Breaking's Forgotten Genius - BBC2, 9pm

WE all know now that World War Two was won single-handedly by a gay man called Alan Turing who built a huge computer out of old bicycles to crack the Enigma code.

This version of history was reinforced by the recent hit Hollywood film *The*

Imitation Game, starring Benedict Cumberbatch.

The trouble is, that version is total bollocks.

Turing's computer would not have been built without Gordon Welchman - the man who first petitioned Churchill to get adequate funding for Bletchley Park and helped Turing build his world-changing computer.

This doc goes some way to righting a historical wrong.

There's life in the old Doc yet!

Doc Martin - ITV, 9pm

OUR *Sunday Sport* colleague Gary HATES *Doc Martin* - which is always a recommendation to watch something on the box.

While the jug-eared Doc is not quite as grumpy as our Gazza, he comes close, which is a big part of this long-running series' charm.

The village the show is set in, the fictional Cornish hamlet of Portwenn (in real life Port Isaac), is always bathed in lovely sunshine and looks a delight.

I've only been to Cornwall once - a night-time trip to Falmouth to interview a woman for *Take A Break* magazine. It rained a lot and smelled of fish.

OF THE TELLY

Explosive war drama

The Hurt Locker – C4, 11.30pm

WHILE there's a lot of shit on the telly tonight (*The X Factor*, *Animal Mums*, etc), there are also a few half-decent movies – just before *The Hurt Locker* on Channel 4, there's *Iron Man 2*.

But if I'm going to pick a movie of the day, it's this Oscar-winner set during the Iraq war.

As you'll recall, the Iraqi insurgents were – and indeed still are – big fans of improvised Explosive Devices. *The Hurt Locker* tells the story of the poor f**kers who get sent in to defuse them.

Gripping stuff and well worth staying up for.

Grant-ed, he's still a tw*t

Notting Hill – ITV, 9pm

MUCH as it pains me to say this, *Notting Hill* is a cracking movie.

Yes, Mr Hugh Grant is an arse of the highest order with his insane attacks on Britain's vibrant free press.

But this is a nice movie with a half-decent tale and Rhys Ifans is brilliant as Grant's waster housemate Spike.

Did I mention that Hugh Grant was once arrested – and shamed in the tabloid press he so despises – after being caught with his cock in a two-bob whore's mouth?

We really should never fail to let him forget that.

The original Lady muck

Lady Chatterley's Lover – BBC1, 9pm

IT'S hard to imagine now, but in 1960 Penguin Books was taken to court under obscenity laws for publishing the 1928 novel this is based on.

The prosecution failed and, as a direct result, you can now get *Big-Boobed Double Anal Sluts Monthly* at your newsagent.

Lady Chatterley has been adapted many times for screen at various levels of explicitness.

The Beeb is going through one of its prudish aunt phases at the moment, so don't expect to see it going in.

TUESDAY

Yanks for the remake

The Girl With The Dragon Tattoo – ITV2, 10pm

THIS is notable in that it's not one of the *American Pie* films, which seems to be ITV2's default setting when it comes to movies.

This is the American version of the film, based on the book by dead Swede Stieg Larsson, starring Daniel Craig as crusading journalist Mikael Blomkvist and Rooney Mara as sexy-but-twisted goth hacker Lisbeth Salander.

Truth be told, I preferred the Swedish version – not for some arsey Euro-cinema reason, I just reckon that Noomi Rapace made a dirtier-looking Lisbeth.

You won't get Wankdorf

England v Switzerland – ITV, 7.15pm

I'LL not pretend to know anything about football, apart from the fact they have the Wankdorf stadium in Switzerland.

Though, of course, this game is being played at the less amusingly-named Wembley.

I've looked up a few stats and found that Switzerland got further than England at the last World Cup.

And there was me thinking the cheeky Swiss were only good at burying Nazi gold under their snow-capped mountains.

DON'T MISS THIS!!!

Doctor Foster – BBC1, Wednesday, 9pm

EVER since she burst onto our screens as fiery Karen McDonald in *Corrie*, gorgeous Suranne Jones hasn't put a foot wrong.

In this new drama she plays a GP who suspects her husband is having an affair.

Quite frankly, if Suranne were my doc, I'd regularly develop mystery complaints that required her to gently cup my nadsack.

Jamie, 22, had her boobs done three years ago and went from a modest B cup to a juicy 32DD.

OUTRAGE AS PORN STAR FEATURES ON TRAVEL CARD

By **BRAD CHADWICK**
news@sundaysport.co.uk

A CITY is going ahead with plans to introduce a pre-paid public transport card – featuring a PORN actress.

The cards for the metro system in the Taiwan city of Taipei provoked outrage over the use of Japanese Yui Hatano's image.

But EasyCard, the company producing the cards, said they will be released – backtracking on an earlier statement that they would be withdrawn.

Movies

The cards are to pay for journeys on Taipei's metro and bus network.

The image on the card is not pornographic. It shows Yui Hatano smiling and dressed in white.

And she insisted she should be allowed to contribute to society.

"Just because I am an adult video porn star,

does it mean that I cannot pay a debt of gratitude to my beloved Taiwan?" she said.

Yui has starred in dozens of porn movies in which she specialises in sucking down industrial quantities of spunk.

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week Krystal has been reading your letters. Here's her advice...

Dear Krystal,

I WAS in my back garden last weekend, mowing the lawn, when my new next door neighbours - a pair of blondes in their early 20s - looked over the fence.

They only moved in a couple of weeks ago and they asked me round for a few beers.

I was up for shagging the pair of them and when they started kissing and fondling each other's tits I led them upstairs.

They made a grab for my shorts and took it in turns sucking my knob until I spunked over their pretty faces.

I boned one of them from behind while she loked her mate's beaver.

They were bloody insatiable and I ended up shagging them again.

They both said they don't want a relationship but just the odd shag. Is this ok?

Krystal says...

YES, it's fine!

Dear Krystal,

THE other week after I'd had a few in my local I pulled the barmaid.

She's 21 and blonde with a massive pair on her, and I'm 43.

We went back to her place and shagged in every position. She loved to suck me off and let me spunk all over 34DDs.

Luckily, the wife was away that night so she's none the wiser.

I've boned her twice since then. The last time was in the back of my car, and it was brilliant doing it doggy-style and grabbing her tits.

Afterwards she said that I could shag her and her mate next time.

The problem is, I think I'm getting addicted to having sex with this bird as my wife lost interest years ago.

But I fear that I'll end up doing something stupid like leaving my wife and kids for her.

Should end this affair now?
 GD, Essex

Krystal says...

QUIT while you're ahead!

My red-hot ruck with lesbo ruggers beauties

Dear Krystal,

MY fella used to be a keen rugby player and competed at quite a high standard with a local club, until injury forced him out of the game.

We stayed involved with the club and, eventually, I ended up making and serving meals to the various teams at the end of the day.

A lot of the wives and girlfriends said they fancied taking up the game and formed themselves in a team.

So I decided to get involved when my fella said he would coach the girls and before long he'd got us in to quite a good side.

After our first game he came up with the amazing suggestion that I try a bit of lesbo action with two team-mates he'd pinpointed as gay.

He said he'd watch through a hole he'd drilled in the changing room wall from the men's side.

I was astounded but in the elation of our win that day I agreed and hung back in the changing room where the two were enjoying a prolonged victory embrace.

I slipped between them and the three of us started swapping kisses.

Very soon our shorts were on the floor and we slipped into the communal shower where we soaped each other.

Then we rubbed one another's breasts enthusiastically before fingering each other's fannies to a climax.

And while we were drying off the girls used their tongues on my pussy to bring me off again.

Then we adjourned to the bar and promised to have another session later in the week.

My bloke was there and said he had filmed the whole thing on his smartphone.

When we got home he transferred it to the laptop and got so excited that he shot his load and was useless in bed later.

But I reckon I now prefer other women's company, anyway.

Do you think I'll tire of lesbo sex?
DM, South Wales

Krystal says...

Letter of the day

I DON'T know but it sounds as if you're having a ball!

Dear Krystal,

I WAS called in to our head office for a two-day morale-boosting bash.

I finally got to talk to two of the women I'd been flirting with for ages via e-mail.

We had a great time at the first night's buffet-disco and my morale was definitely boosted when they invited themselves to my room and staged a lesbo show.

Then one gave me a blowjob while the other squatted over my face and slid her wet fanny up and down my tongue.

Is this acceptable work behaviour?
KL, Lancs

Krystal says...

WHAT happens outside work hours seems fine.

Dear Krystal,

I HAVE just discovered that my wife is having an affair with another woman and is planning to leave me.

The funny thing is that our sex life has always been great and we've tried toys, roleplaying, dressing up and lots of positions.

One hectic session happened on a memorable bank holiday weekend in the West Country.

We packed a selection of dildos and vibrators and went straight to our hotel room to try them out.

We started off with mutual masturbation, oral, doggy-style nookie and even a bit of anal.

After we had both climaxed several times we got dressed and went downstairs to eat.

But we were soon so horny we couldn't finish our meal and went straight back to our room, stripped off and jumped in the sack again.

This time I pleased her with a 10-inch dildo and she used a vibrator on me.

After a while we were so turned on that I just climbed on her and shagged her brains out for 25 minutes before I collapsed on top of her and we lay in a hot sweaty heap before falling asleep.

We woke at around 2.30am and had another shag.

This routine continued until we left for home on the Sunday.

I have tried talking to my wife about her lesbian lust, but she doesn't want to know.

What can I do to win her back and ensure I have a future life with this woman - and lots more sex, of course?

KT, east London

Krystal says...

DON'T give up on her - this lesbo affair might just be a temporary infatuation and she may well abandon the other girl and decide she prefers hetero after all.

Never underestimate the power of the cock!

TIAL

...Well, if you're sure you can get the sticky white stuff out...

THE fairer sex are all born with a naturally built-in ability to get whatever the hell they want, simply by fluttering their eyelids - or shaven ladyparts - at simple-minded men.

And fellas are often targeted by these sirens in the workplace - where the sweet-smelling seductresses aim to redress the 'wage gap' between the sexes, by sleeping their way to every boardroom in the bloody country.

But most blue chip companies these days employ lots of gays, which puts a stop to the femmes fatales and their cheap sexual espionage.

...And tearing my undies off with your teeth will help start the necessary friction for the extraction process...

...At the vinegar stroke...

Yes! Yes! Yes! Push it in and out, as fast as you can...the white stuff is about to come out!

GLORIOUS Gina may not have the biggest boobs in the world... but she says her **NIPPLES** could have your eye out!

The 22-year-old beauty, from Budapest, Hungary, said: "When I began modelling, I was told that my 32B boobs were too small.

"But that has not held me back at all.

"Many men love smaller breasts and when I get cold or turned on, my nipples poke out more than a centimetre.

"My boyfriends love that. And they love the fact I will do the anal sex on a first date.

"I love it."

CHARLIE MCCANN

WITH HIS SPORTING ODDS AND ENDS

BALE FORCE:
Gareth will do well in the finals

Flying Wales 50/1 to win Euros

Hero Christie has Georgia on his mind

Republic of Ireland v Georgia

Monday, 7.45pm kick-off, live on Sky Sports 2

GOAL hero Cyrus Christie says the Gibraltar win will count for nothing if Ireland slip up against Georgia tomorrow night.

The 22-year-old Derby defender was on the scoresheet as the boys in green beat the minnows 4-0 on Friday night.

With Scotland losing in Tbilisi, it puts Ireland back in pole position to at least grab a place in the play-offs to reach France next summer.

But they must make sure of three points against Georgia if they want to stay in the group's top three.

And Christie said: "They made it tough for us, Gibraltar. They settled well and they defended well, but we managed to break them down and get through and get the crucial win."

"It's a big win with Scotland dropping the points losing to Georgia, but we have got to follow it up now on Monday and beat Georgia."

Nobody was more surprised than Christie to hit the target on his Ireland debut. He's not known for his attacking prowess and has yet to get off the mark for his club.

And he says that Georgia goal was the highlight of his career — so far.

He added: "I think I'd put that up as my best one."

"It's a great moment for me, to score for Ireland in front of a lot of fans and my family watching it on TV."

"It was a good goal for me, but it means nothing if we don't follow it up on Monday."

Christie is not expected to line up against the Georgians with regular full-back Seamus Coleman returning from his hamstring injury.

Ireland boss Martin O'Neill says he's not surprised that Scotland

ON TARGET: Christie

found life difficult in Tbilisi.

He says Georgia's form has improved since the early rounds of qualifying and that they are better than their lowly position in the group suggests.

And seeing them beat Scotland should be a warning to his own players.

He said: "I said before that any team going to Tbilisi was going to find it difficult."

"There's a renewed spirit about Georgia."

Now he wants to cash in on the good position Ireland find themselves in.

"I'm sure Scotland losing gave the players a lift."

"I don't think there would ever be a lack of focus but it certainly rekindles the enthusiasm to try and win."

YET another 'Roy of the Rovers' display by Gareth Bale put Wales on the brink of qualification for the finals of Euro 2016 next summer.

The Dragons haven't reached the latter stages of an international tournament since 1958 however Chris Coleman's side have gelled tremendously well under his stewardship and after their excellent 1-0 defeat of Cyprus in Nicosia they are 50/1 (From 66s) with BetVictor to be lifting silverware aloft on July 10th at the Stade de France.

Many will accuse bookmakers of over-reacting with their tightening of the Dragons' odds but they have leap-frogged England in the FIFA World Rankings and deserve their status as the ninth best footballing side in the world.

The meteoric rise, rising from a ranking as low of 117 in 2011, has seen them go unbeaten during qualifying including an excellent goalless draw with Belgium in their own back

AND BALE'S SAME PRICE FOR SPOTY

yard. Bale has naturally been well-supported in the market to be BBC's Sports Personality of the Year and is now 50/1 (from 66s) with BetVictor to win the coveted award; would punters rather back Wales for the Euros of Bale for SPOTY?

Selected BBC SPOTY prices from BetVictor
Jessica Ennis-Hill: 6/4
Chris Froome: 11/2
Lewis Hamilton: 13/2
Mo Farah: 7/1
Andy Murray: 10/1
AP McCoy: 14/1
Joe Root: 20/1
Gareth Bale: 50/1

Bale still has plenty to do gain the support of his compatriots but would undoubtedly come unstuck should the Wales National Team win the World Cup at Twickenham next month. Dragons' rugby union skipper Sam Warburton is 80/1 with BetVictor to be named

the best of his peers and that offers punters much better value than the 14/1 about his side to reign supreme against the might of the southern hemisphere.

A side similarly on the brink of success is Yorkshire with 'God's Own County' all but assured of a second successive County Championship already this season.

The likes of Gary Balance, Jonny Bairstow and Adam Lyth have all excelled at both county and international level and all three involved in England's 3-2 defeat of Australia in the Ashes.

There is a daring omission from that trio with Joe Root head and shoulders above both his county and international team-mates and the Yorkshireman now officially the best test batsman in the world. Root scored two hundreds during

a pulsating series and is 20/1 to be named Sports Personality of the Year bidding to emulate fellow cricketers Ian Botham and Andrew Flintoff, who both gained the accolade during Ashes winning summers.

Yorkshire boasts the favourite however it isn't a cricketer, with Jessica Ennis-Hill backed into 6/4 favourite after her tremendous success in the World Championships at Beijing.

The Heptathlete, successful in the 2012 Olympics in London, bounced back from taking time out to have son Reggie in emphatic style and would be a worthy winner after narrowly missing out to Tour de France winner Bradley Wiggins in 2012. The 'Golden Girl' has the public on her side and, after being a runner-up in London, can go one better in Belfast.

Blues a mystery to new boy Papy

NEW Chelsea defender Papy Djilobodji (inset) says he felt like a stranger walking into the Chelsea dressing room.

The 26-year-old was one of two low-key signings by the champions on deadline day as they missed out on main target John Stones from Everton despite bidding £40million for him.

And the Senegal international says he had NEVER met any of his new team-mates until heading into training before the international break. But he had at least watched them play on the telly.

He said: "I didn't know any of my new teammates but I have played against some that have been in the French leagues previously, people like Eden Hazard when he was at Lille and Falcao when he was at Monaco."

"The rest of them I have seen on television because I watch lots of Premier League matches, and now I am here with them I just want to prove myself and show what I have got to offer."

Djilobodji was joined by Reading youngster Michael Hector as Jose Mourinho kept his wallet shut as the window closed.

Green at gills over new card

ITALY'S Serie B are introducing a new card for their referees to brandish.

Starting this weekend, as well as the usual yellow and red warnings, officials will be showing a green card to players showing "conspicuous acts of sportsmanship good virtue".

There will be no rewards for green cards during the game — although you'd think with an idea so barmy they might as well go the whole hog and award a goal or two when a defender throws his shirt over a puddle for an opposing striker.

Apparently names will be noted and a list of the 'most correct' players will be compiled at the end of the season.

Then what? Will they get a book token?

★ EURO qualifiers — and the gaping hole they leave in the list fixture list — are usually quite dull affairs.

But you have to admit, the race to qualify for France 2016 has been a revelation for fans in Wales, Scotland and Ireland for a change.

I'd love to see two or perhaps even three home nations represented next summer — even if it does increase the chances of a finals banana skin for England.

HAVING A LAUGH: Suarez reacts to the news of green cards for good behaviour

WHAT A DILDO: The greatest moment in Sky Sports' history

THE West Bromwich Tourist Board have got their work cut out enticing anyone to the Black Country as once again the transfer deadline day headlines were dominated by someone desperate to leave The Hawthorns.

First we had Odemwingle's car park sit-in to seal an attempted move to QPR back in 2013, this year it was Baggies' bad boy Saldo Berahino throwing his toys out of the pram when a move to Spurs fell through. Is it really that bad there? 'D-Day' passed with its usual anti-climactic whimper — as hard as Sky Sports tried yet again to turn it into the Oscars.

Thankfully, even they must have realised that, since the legendary purple dildo episode, it can only go downhill and thanks to UEFA setting the Champions League deadline for the same day, this one was all over by 6pm rather than stringing it out until almost midnight.

The calls to bin this silly circus get louder every year and there's no doubt it should be shifted to pre-season.

MERV'S FACT HUNT

Last week I asked: Who scored a UEFA Champions League hat-trick with Blackburn Rovers? The answer is: Mike Newell (Blackburn Rovers 4-1 Rosenborg, 1995-96 Group Stage). This week's Fact Hunt is: Who were the last four Englishmen to score Premier League hat-tricks? Answer next week...

PARTY LIKE IT'S

Wales one win from first finals in colour

1958!

WALES manager Chris Coleman has hailed the brilliant spirit in his side as they need just ONE more win to make Euro 2016.

Victory over Israel in Cardiff today would put the Dragons through to their first finals since 1958 — meaning you'd have to be a pensioner now to remember it!

It's been an amazing run for Wales who sit top of Group D and have smashed their way into the world's top 10 in FIFA's rankings — above England for the first time in their history.

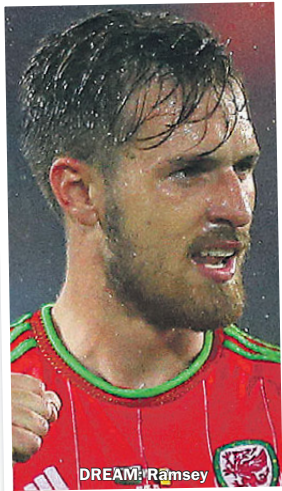

Their latest heroics came in the Cypriot heat on Thursday night when a Gareth Bale bullet header gave the Welsh a vital 1-0 win. It was yet another game when the Reds had to dig deep and escape with the points.

And Coleman was full of praise for his troops, saying: "Our players show their team spirit, work ethic and how much it means to them to play for their country."

Now the gaffer has tried to nail his players' feet to the carpet and remind them that there's still plenty of work to be done.

He added: "We can't hide from the facts, looking at the way the group is we're one win away from a guaranteed place in France 2016, we know that."

"But the players, I promise you,

DREAM: Ramsey

Wales v Israel

Sunday, 5pm, live on Sky Sports 1

never ever mention it. They know it's there, they know what everyone will be talking about back home.

"We must never ever take our eye off the goal."

"Like I've said all along, this is our own path we're taking."

"We've got our structure, we've got our game plan."

"We know when we get back the expectations and we know what happens if we beat Israel."

"But we'll just try to concentrate on putting another performance in and hopefully we'll get rewarded for that."

Major

Welsh fans can rest a little easy as they still have to play Andorra — so get your maps of France out lads.

Key midfielder Aaron Ramsey has urged the fans to keep a lid on their emotions until the job is done.

He said: "The fans want a party but we have to do the job on the pitch first."

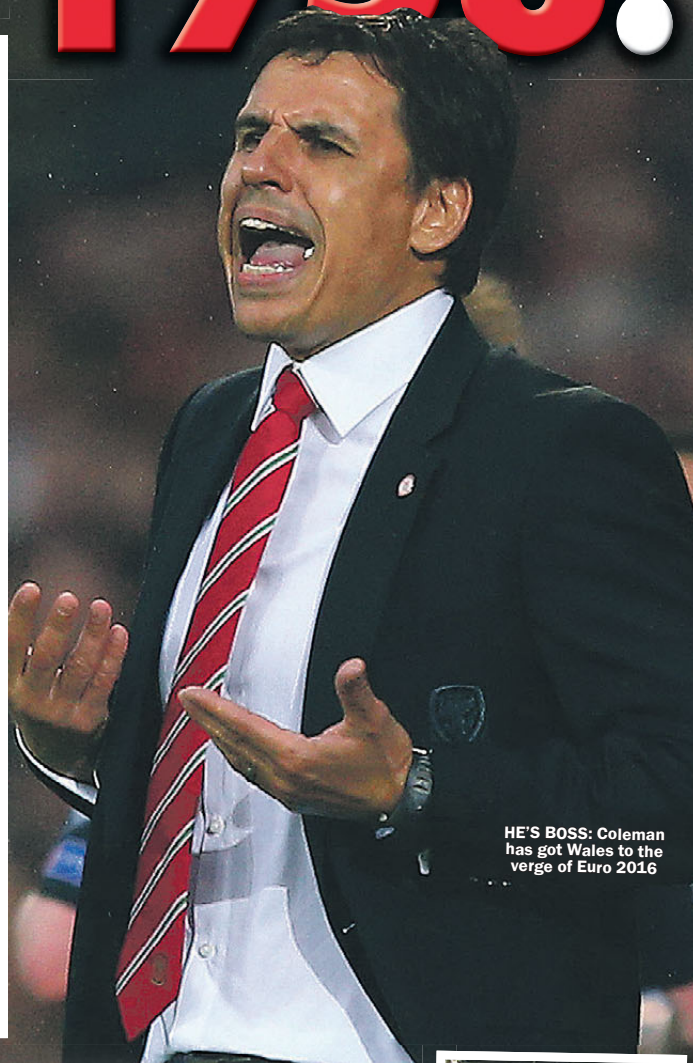

But he admits that, despite all he's achieved with Arsenal, nothing would match playing for his country in a major finals.

He added: "It's always something I've wanted to try and do, to take Wales to a major championship."

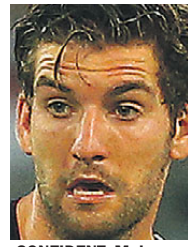

"We know what's on the line for Sunday."

"So hopefully we will take that opportunity, put on a show and get the three points because it will mean the world to me."

"We know what's at stake now and we must handle the situation we find ourselves in."

HE'S BOSS: Coleman has got Wales to the verge of Euro 2016

CONFIDENT: Mulgrew

We've Scot to do much better, says Mulgrew

Scotland v Germany

Monday, 7.45, live on Sky Sports 1

CHARLIE Mulgrew says Scotland can't feel sorry for themselves after losing in Georgia.

The Celtic man has urged his team-mates to put their shocking effort in the 1-0 defeat behind them and come out fighting against Germany.

He admits that it won't be easy against the world champions — but the Hampden crowd can spur the Scots on.

He said: "There's still a lot to play for and a chance to get back out for another big games right away."

"We're all so disappointed, because we wanted to win the game against Georgia."

"But we haven't done it, so we just need to turn it round and move on."

"We have got over this quickly and be ready for Germany."

"We have no choice, there's no time to feel sorry for ourselves."

"I'm absolutely sure we're get down to work between now and Monday and we'll be ready."

Mulgrew knows that Scotland are capable of much better than they showed in Tbilisi where they didn't manage a shot on target in the entire match.

He added: "Overall it just wasn't good enough."

"We're not even talking about decisions which went against us."

"We're concentrating on things we can affect and one thing you can't affect are decisions."

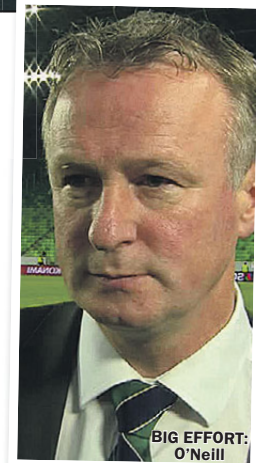

"The fact is that we all know in that dressing room that we can do better. It's as simple as that."

"We're not looking for any excuses. We have to stand up and admit we had a bad night and get on with putting things right."

"We're looking at small things here. We didn't perform as well as we can, didn't create as many chances as we can and once we lost that goal it was difficult."

"We'll be gutted for a bit. A few guys won't have got much sleep after a game like this. It stays with you, that's for sure."

"But we've all been there before, plenty times. We know what it takes to get back up from a bad result and that's our job now."

BIG EFFORT: O'Neill

O'NEILL HUNGARY FOR GLORY

NORTHERN Ireland boss Michael O'Neill has backed his side to secure qualification against Hungary on Monday night.

A hard fought 3-1 win in the Faroes has put the greens one win away from their first ever European Championship finals.

They haven't been on the big stage since the Mexico World Cup in 1986 where they shocked the tournament by beating Spain.

And O'Neill thinks the glory days are just one game away.

He said: "It's a fantastic prize for the players, well deserved. They've won three of the four games away from home which

Northern Ireland v Hungary

Monday, 7.45, live on Sky Sports 5

is phenomenal in any campaign.

"I genuinely can't see them letting this opportunity slip."

"I can't see how they won't take it."

And O'Neill thinks it will be an extra special occasion at Windsor Park — and a celebration for the home fans.

He added: "It's a great scenario to be playing for qualification in our home stadium."

"The pleasing aspect of it is we do have a little bit of a safety net there as well. A lot of people

talked about this as a must-win and a pivotal game but it really isn't."

"The work we did in the early part of the group gave us a buffer that we didn't need tonight."

"We can go into the Hungary game and do everything possible to win that group. We're top and I just think the players will respond."

Fatigue

"This is the game that was going to be the nervous game."

"The next game, I think they'll handle it."

"I look at the intensity of the team, right through the team,

there wasn't a player that didn't perform against the Faroes. I just thought we were excellent to a man."

"We just have to continue that. The effects of the game tonight and the fatigue element of it, I don't think they will be a factor given what's at stake."

Kyle Lafferty scored against the Faroes and says he can do it again on Monday.

He said: "We are looking forward to Monday. It could be a massive night."

"We want to do it for the fans, and with this squad we believe we can do it — we will have to wait and see what happens on Monday."

LEGENDS: Rooney and Sir Bobby Charlton

WAZZA HAS A BIT TO DO YET, SAYS HURST

By JOHNNY BELL

SIR Geoff Hurst has paid tribute to England's record scorer Wayne Rooney — but says he has a long way to go before he matches the feats of the man he knocked off top spot.

The Manchester United forward equalled Sir Bobby Charlton's total of 49 goals with his early penalty against San Marino.

Rooney has done it in a similar number of matches to Sir Bobby, but Hurst says there's one big difference — Charlton scored his goals from midfield. And the former West Ham man should know as he was up front in the England team that won the 1966 World Cup, scoring a famous hat-trick in the final.

Hurst said: "It's worth mentioning that Sir Bobby Charlton was not a forward player. He was a midfield player."

Enormous

"So, while taking nothing away from Wayne and his achievements, it's an enormous thing to score one goal in every two games for England as a midfielder."

Sir Geoff is a big fan of Rooney, but points out that times have changed in terms of how young players are given a chance at international level compared to when he broke into the side in the 1960s.

He said: "Reaching Sir Bobby Charlton's record is a really significant

PRAISE: Geoff Hurst

achievement. Wayne has been fortunate in one sense in that he started quite young, but he's had to put up with a lot of criticism.

"I had as many spells as he's had without scoring, but there wasn't the huge media coverage there is today."

"The only disappointing thing for Wayne is that he hasn't really been involved in the final stages of a World Cup."

Valdes is out in the cold at Old Trafford

VICTOR Valdes has been told that he will NEVER play for Manchester United again.

The experienced keeper was included in United's Premier League squad, but he hasn't been given a number and he was on the list just to comply with league regulations.

The 33-year-old Spaniard was also left out of the Champions League squad, meaning he faces a long period in the stands — quite possibly sitting next to David De Gea.

The former Barcelona keeper was due to join Besiktas but the move fell through as the transfer window closed.

EURO 2016 QUALIFYING

BOBBY

Roon joins Charlton as England's most lethal

By PAUL THOMAS

WAYNE Rooney was nobbled in his bid to break Sir Bobby Charlton's England scoring record — by his own manager!

The skipper converted a dodgy penalty after 12 minutes to equal the milestone of 49 goals.

But his dreams of clocking up a magical half-century ended when Roy Hodgson subbed him just 12 minutes into the second half.

It was a baffling call as this easy win over San Marino means England have already qualified for the Euro 2016 finals in France next summer.

He'll just have to smash the record against Switzerland at Wembley on Tuesday.

The Three Lions huffed and puffed on a terrible pitch and, in the end, proved too strong as their amateur opponents tired.

Roo's penalty — that England were incredibly lucky to get — was followed by a Christian Brolli own goal and second-half strikes from Ross Barkley, Harry Kane and two from Theo Walcott.

Hodgson went for an attacking line-up with Barkley sat in just behind a three-man forward line with Jamie Vardy and Alex Oxlade-Chamberlain backing up Rooney.

Jonjo Shelvey was the anchor in midfield with James Milner helping out defensively.

Confusion

The playing surface didn't help matters early on as it managed somehow to be rock hard and yet soft at the same time.

The ball was bouncing like it used to on Luton's old plastic pitch while players kicked up massive divots.

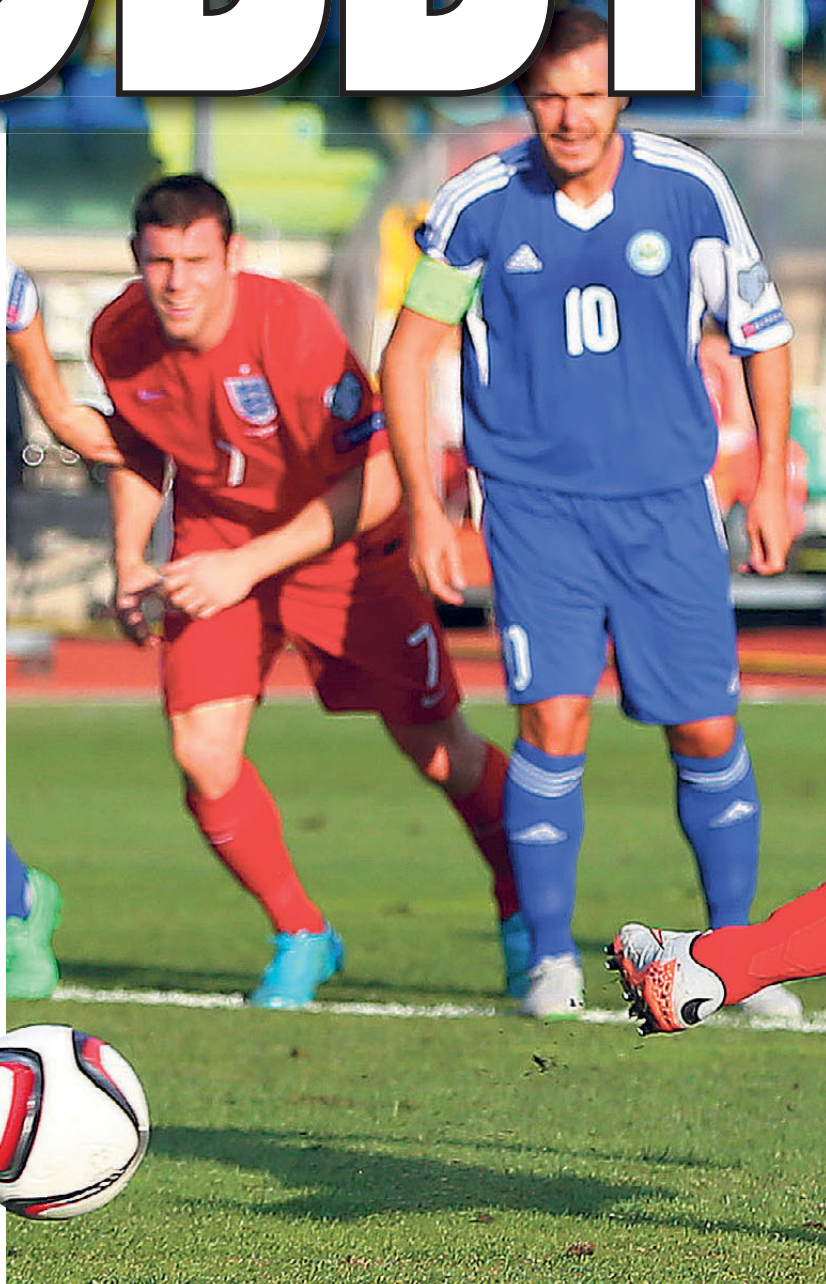

Even so, it didn't take long for Rooney to join Sir Bobby on 49 goals — with more than a little help from the referee.

Just 11 minutes were on the clock when Leontios Trattou of Cyprus pointed to the penalty spot.

There was plenty of confusion as it was John Stones who handled the ball from a Milner cross.

But the whistleblower thought the San Marino defender had a handful of the Everton man's shirt and pointed to the spot — much to the annoyance of the home players.

Rooney had to wait a couple of minutes while the San Marino boys went through their wounded soldier

routines. But eventually the skipper stepped up to send keeper Aido Simoncini the wrong way.

It was a special moment for the under-fire Manchester United striker, who looked up to skies before celebrating with his team-mates.

Take nothing away from Rooney, but it was hard to see what the home defender did wrong.

The Scouser might have bagged the record for himself just seven minutes later when he was through on goal, only for Simoncini to parry his shot, Milner missing the follow-up.

It looked like he had done it just before the half-hour when England made it 2-0. Luke Shaw had all the time in the world to put over a fantastic cross and Rooney

was poised to finish. But before he could get the vital touch, Brolli nodded the ball past his own keeper.

Oxlade-Chamberlain almost got in on the act just before the break when a mix-up between the Simoncini twins — centre-back and goalie — presented the Arsenal man with a great chance.

Cigars

He fired his shot on target but the keeper scrambled back to pull off an outstanding save.

England trudged off at the break with the game wrapped up, but only thanks to an iffy pen and an own goal in what was a poor performance even taking the pitch into account. Things improved quickly after the break, though, and it took

SIXY FOOTBALL: Walcott slots the sixth goal past Simoncini

Barkley just 14 seconds to score his first international goal.
 Oxlade-Chamberlain used his pace to get to the byline and pull back a pinpoint cross for the Everton man to head home from close range.
 But rather than open the floodgates, the quick goal was more of an excuse for the Three Lions to get the cigars out and they dropped down another gear.
 Hodgson was the party pooper on 57 minutes when he substituted Rooney and threw Kane on. With qualification already assured it was an odd decision.
 Rooney going off put a downer on things and it took a few minutes for the game to get going again.
 It took another substitution to wake England up, this time when Walcott hit

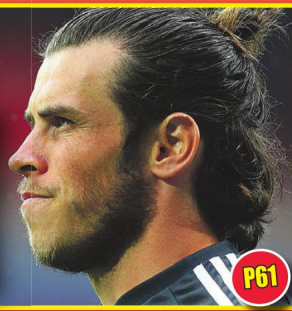

the target with his first touch after coming on for Oxlade-Chamberlain.
 The goal came after good work from Delph, who fired in a low cross that was easy for the Arsenal man to tap home.
 Kane bagged his first goal of the season with 15 minutes to go.
 The lively Shelvey found the Spurs attacker with a neat pass and he kept his head to slot the ball into the net.
 Then Walcott doubled his tally thanks to good work from Barkley who teed him up to score from 10 yards out.
 And he could even have bagged the matchball had he taken a golden chance for his hat-trick with eight minutes to go.
 He was found by a pinpoint Stones pass but couldn't find the target.

the Three Lions ran out comfortable winners in a low-key match. Hodgson spoiled the party when he subbed his skipper just 12 minutes into the

second half, denying him the chance to take the record in his own right. But it does set up the tantalising possibility of a record-breaking Wembley appearance against the Swiss on Tuesday night.
